

Humphrey Counts 1,600 Votes; Says He'll Win In 1st

By The Associated Press
Vice President Hubert H. Humphrey, expressing confidence he'll win the Democratic presidential nomination on the first convention ballot, has pegged his delegate strength at 1,600 votes.

Democratic race into a four-way battle to show Americans the party "offers more than liberals and socialists." The Democratic nomination in Chicago in two weeks will require 1,312 votes and Humphrey was asked Sunday if his estimate of delegate strength means he thinks he has the

first-ballot nomination sewed up. "Let me tell you I feel rather relaxed," Humphrey replied. "I feel good. I think we ought to be looking forward to November." Humphrey also said the Paris peace talks are "at a serious stage" and America's position with Hanoi should not be weakened by loose talk by candi-

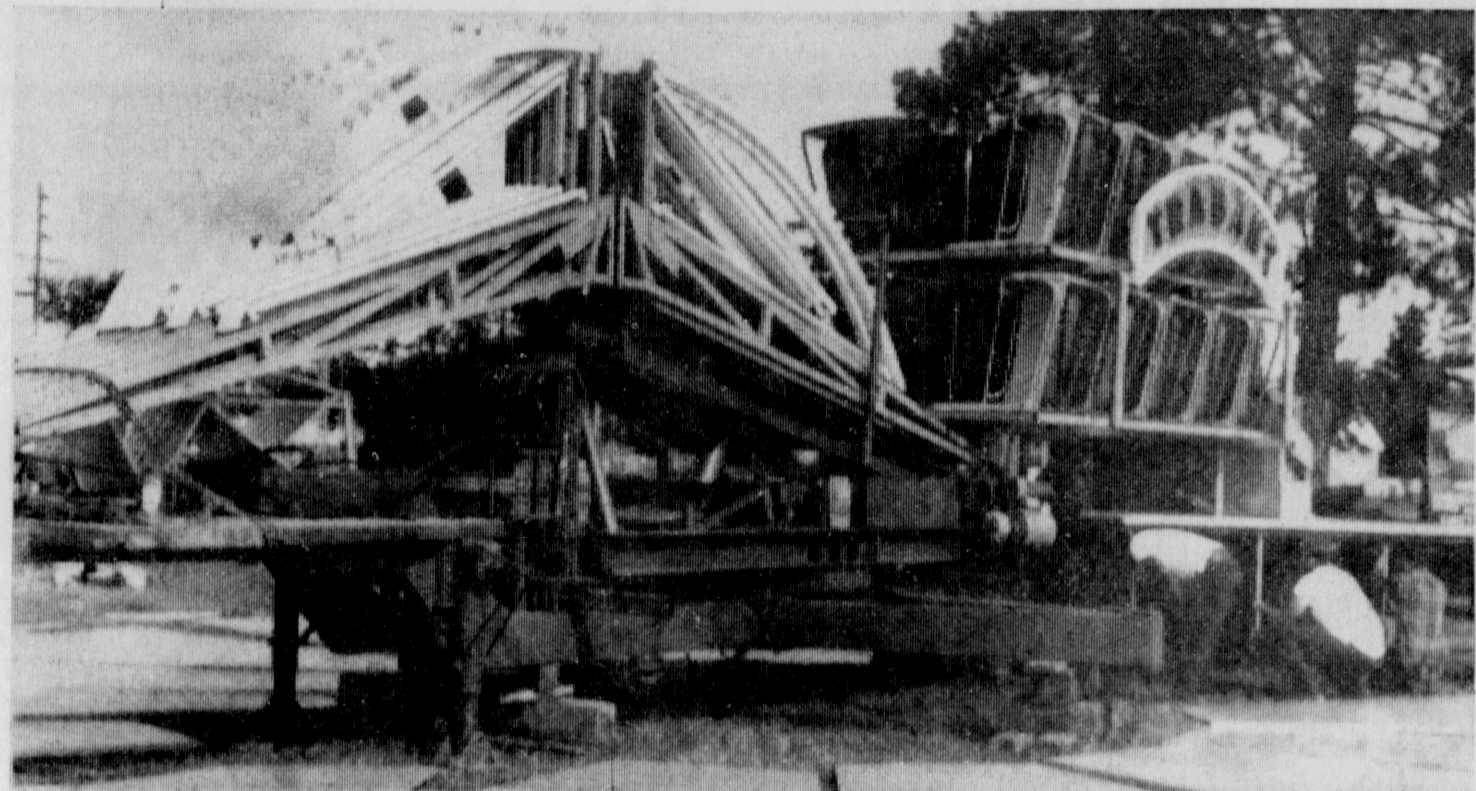

dates. "If I can lend one little note of optimism today," he said, "which I do very carefully and with prudence and caution, I would say that the negotiations, while they have been sticky and they have been slow and they appear many times not to be productive, that those negotia-

tions are at a serious stage." Humphrey was interviewed on ABC's "Issues and Answers." Sen. George S. McGovern, the newest declared Democratic contender, said a certain "disquietude" he detects among delegates gives him "at least a fighting chance" to beat Humphrey and Sen. Eugene J. Mc-

Carthy. McGovern was interviewed on NBC's "Meet the Press." But an Associated Press survey after McGovern entered the race Saturday showed he drew immediate support from only two delegates, both from Nebraska already had his state's 26 delegate votes.

McCarthy, bidding for support from California's 174 delegates, said in Sacramento Sunday the Democratic party is "an empty shell—without power or vitality or function" and must be revitalized. National conventions should be held every two years on is-

suess and public policy, not just selection of candidates, McCarthy said. He said party leaders should become the peoples' spokesmen and press for progressive legislation. The California delegation gave McCarthy a warm reception but reaffirmed its intention to remain uncommitted.

DAN MAKI of Alger County leads a young Guernsey down a truck ramp at the U. P. State Fair grounds today as livestock is delivered for the 40th Fair, opening on Tuesday. At top, a Wade Shows crew assembles a ride on the midway that will be swinging on Tuesday afternoon and throughout the rest of the week. (Daily Press Photos)

Veto Bans Beer In Church Areas

LANSING (AP)—Gov. George Romney has vetoed a bill which would have allowed beer, wine and liquor take-out stores within 500 feet of schools and churches, the executive office announced today.

"I see no sound purpose to be served in permitting this type of exemption to the 500-foot rule," the nondrinking governor said.

The 19-year-old rule bans all sale of alcohol near churches and schools, although backers of the Senate bill vetoed by the governor claimed it was not intended originally to forbid take-out sales.

Romney said the rule "has been a long-standing safeguard to the interests of individual communities and the citizens within those communities." He added:

"It has served a definite purpose over the years in separating to some degree those who are in the business of selling alcoholic beverages and those responsible for religious guidance and educational advancement."

"There should be a specific and firm dividing line," Romney said, "and I do not believe that a division of 500 feet between these frequently conflicting purposes is too much to ask."

Earlier this year Romney vetoed another liquor bill which would have allowed existing licensees who sell beer and wine

within 500 feet of a church or school — primarily those licensed before the rule took effect in 1949 — to apply for liquor take-out licenses.

Romney did, however, permit a county-option Sunday liquor bill to become law without his signature.

Violence Takes 10 State Lives

By The Associated Press
Violence took the lives of seven persons in Detroit and at least three persons in other Michigan cities over the weekend.

Six of the deaths in Detroit resulted from gunshot wounds. In other, a 23-year-old woman was raped and strangled at her home in Detroit's east side Saturday, police said.

Detroit police said Sunday they had made no arrests in the death of the woman, Mrs. Sarah Griffin.

A search for a slaver of a 47-year-old Corunna man, whose body was found Saturday next to an exit ramp on I 75 in Oakland County, was under way by the State Police Sunday. The victim, James Fitzpatrick, was shot in the head, police said.

Nixon Plans To Depend On TV

SAN DIEGO, Calif. (AP) — Richard M. Nixon is mapping a Republican presidential campaign that will stress television instead of hectic rounds of vote-seeking rallies.

And Nixon seeks also to make the most of his vice presidential running mate, Maryland Gov. Spiro T. Agnew, in dealing with campaign issues and in covering territory for the ticket.

Those themes emerged from the strategy sessions under way during Nixon's working vacation at Mission Bay, a San Diego resort. A new round of talks was set today, while Agnew planned his first independent campaign trip and Mrs. Nixon, with daughter Tricia, sets out for three days of appearances from Seattle to Los Angeles.

Tower Sits In
Sen. John Tower of Texas, a Nixon ally in the campaign for the GOP presidential nomination and the chairman of his key issues committee, was due in San Diego to sit in on the talks shaping the autumn program.

Herbert G. Klein, Nixon's chief spokesman, said the nominee and his men already had decided to continue the television emphasis they considered a key weapon during the presidential primaries.

Along with that emphasis, Klein said, will come a cutback in the round of personal appearances which has characterized past presidential campaigns. Klein said the Nixon forces realize that when the nominee is going to face a massive television audience, he must have time to rest and prepare.

Time For Rest
"This time, there will be adequate preparation," Klein said. That evidently is a lesson learned from the physically exhausting campaign Nixon ran eight years ago. The problem was evidenced most clearly when a tired and haggard Nixon faced John F. Kennedy in the first of their televised debates.

As for teamwork between the two GOP nominees, Klein said Nixon wants to fashion "the most closely coordinated dual campaign in history."

Klein said the staffs of the

presidential and the vice presidential nominee will be tied closely together, and their travels—as well as the things they say on issues—will be carefully coordinated.

Lessons Learned
This, too, apparently stems from a lesson learned in the narrow defeat of 1960. Henry Cabot Lodge was the vice presidential nominee then, and he sometimes took an independent course.

Agnew participated in some of the campaign planning sessions Sunday and tape recorded a broadcast message to the citizens of Maryland, saying he has no intention of resigning as governor and will continue to make the final decisions on affairs of state.

Agnew scheduled a trip to San Francisco to confer with former Mayor George Christopher and to appear at receptions and a dinner.

Nixon is to remain here until next Sunday, then go home to New York City. Klein said Nixon would operate from his New York base until after Labor Day, making brief campaign trips.

Ike Continues Improvement

WASHINGTON (AP) — Army doctors reported today that former President Dwight D. Eisenhower has now successfully passed the "immediate critical period" following last week's major heart attack, and is making satisfactory progress.

But "even barring unforeseen occurrences, the convalescence is apt to be prolonged because of the general's recent previous attacks," doctors at Walter Reed Army Hospital said in reply to questions.

LBJ On Liquid Diet For Tests

AUSTIN, Tex. (AP) — President Johnson is nearing the end of a 48-hour, liquid-only fast in preparation for further tests to learn the extent of a chronic intestinal disorder.

The Texas White House declined to say exactly when Johnson would return for X-rays and other tests to Brooke Army Medical Center at San Antonio, a 35-minute helicopter trip from the President's ranch.

But Johnson, who began the fast Saturday by watching visitors eat steak, was considered unlikely to prolong it. Johnson disclosed Thursday, after two trips to Brooke for a checkup, that he is afflicted with diverticulosis, a condition that produces small pouches on the inner lining of the large intestine.

To prepare for the new examination, Johnson has had to observe a liquid diet for 48 hours. He began it Saturday—before serving steaks to two ranch visitors, Richard M. Nixon and Gov. Spiro T. Agnew of Maryland—the Republican ticket in the 1968 presidential campaign.

Johnson and other top officials briefed Nixon and Agnew on foreign policy matters.

Johnson attended Roman Catholic services Sunday at St. Francis Xavier Church in Stonewall, a couple of miles from the LBJ Ranch. Although not a Catholic, Johnson frequently goes to mass there and is a friend of the pastor, the Rev. Wunibald W. Schneider.

In his prayer, the priest said, "Let us ask the divine physician to give good health and strength to our President and First Lady."

Some 200 officers were rushed into an area around Will Rogers Park, a few blocks from the area that was scorched by the 1965 rioting that caused \$40 million in property damage.

Police Lt. Lew Ritter said the trouble started about 10:30 p.m.,

Salmon Derby To Feature Lt. Gov.

MANISTEE (AP) — Lt. Gov. William Milliken is scheduled to be "commodore of the salmon fishing fleet" at the first salmon derby Aug. 17-18. Milliken is to serve coffee, hot bean soup and hardboiled eggs from a hospitality snack ship as part of the event, Tom Lewis, manager of the Manistee Board of Commerce said.

Watts Negroes, Police Exchange Gunfire; 3 Killed

LOS ANGELES (AP) — Police exchanged gunfire with Negroes in the Watts area Sunday night and three civilians were killed. Two of the dead were listed as Negroes.

Three police officers were among 31 reported injured.

The disturbance, which appeared to be quieting today, followed a festival commemorating the third anniversary of the Watts riots in which 34 died. Festival sponsors have held the celebration annually since 1966, saying it is proof that something constructive could come from the devastating 1965 riots.

Police called a tactical alert shortly after midnight Sunday placing 2,000 officers on duty throughout the nation's third largest city.

Some 200 officers were rushed into an area around Will Rogers Park, a few blocks from the area that was scorched by the 1965 rioting that caused \$40 million in property damage.

Police Lt. Lew Ritter said the trouble started about 10:30 p.m.,

when two officers, directing traffic at the Watts Summer Festival, arrested a woman on suspicion of drunkenness.

Bystanders hurled rocks and bottles at the officers, who called for reinforcements. Sixty policemen were sent to the scene and an exchange of gunfire began.

Police Chief Thomas Reddin said the firing at police was heavier than in the early stages of the 1965 rioting.

"Then we had scattered reports of snipers," he said. "This time there was concentrated firing."

Sgt. David McGill, one of the officers who moved in after the first shooting, said, "We saw a lot of people being hit. They shot into their own crowd."

A police substation in the area was fired at.

Ritter said "the attack on the police station was apparently planned, and the firing in the park was definitely planned. It all began as if there had been a signal sounded."

Dairy Animals Up; Hope For Record At Gate

The Upper Peninsula State Fair grounds was busy as a bee today with last preparations for the opening of the 40th fair tomorrow and with some activities already underway.

The Barnes RCA Rodeo plays at the grandstand tonight at 8 and the Wade Shows will also be set up and whirling Tuesday and throughout the rest of the week. Three thousand school safety patrol members will be at the Fair Tuesday afternoon.

The Fair entries in the two biggest livestock divisions — dairy cattle and beef cattle — showed some trends in those industries and throughout the big grounds the Fair showed change in social, economic and entertainment trends.

More Dairy Cattle
Charles J. (Jack) Little of Chatham, MSU Extension dairyman in the U.P. and director of the MSU Farm Experiment Station at Chatham, who

It's Milliken
Gov. George Romney will not attend the U.P. State Fair on Friday for the Governor's Day ceremonies and his place will be taken by Lieut. Gov. William Milliken.

Milliken will arrive by plane at Escanaba Area Airport about 10:30 and take part in a motorcade through the downtown area and then to the Terrace, where the Governor's Luncheon, a traditional activity of Fair Week, will be held.

At 2 p.m. Lieut. Gov. Milliken will address the grandstand crowd at the Fair and at 3 p.m. he will take part in the groundbreaking and dedication ceremony at Bay de Noc Community College's new campus in Escanaba Industrial Park.

Frank Bender Jr., chairman of the Board of Managers of the Fair, and Tom Oas are in charge of arrangements for the lieutenant governor's visit.

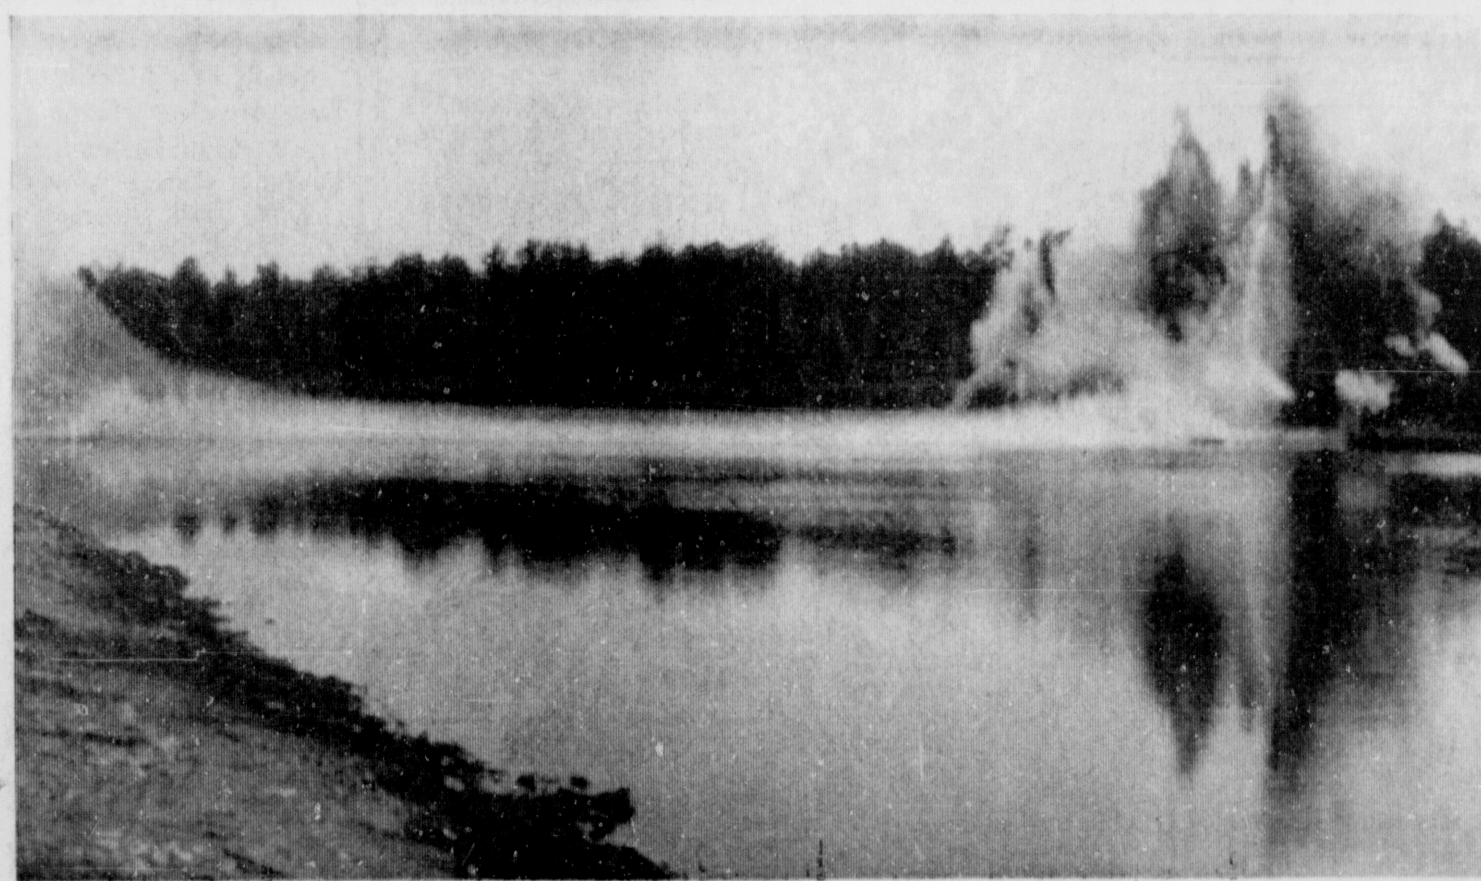

is superintendent of the Dairy Cattle Division of the Fair, said that dairy cattle entries were up a bit from last year. There were 330 head registered in the open class and 327 last year. An increase in 4-H Dairy Cattle Show entries accounted for the gain.

Total numbers of dairy cattle entries are down from the peak years of the Fair reflecting the changes in this industry, with fewer and larger farms, and total numbers of beef animals are down, reports Beef Division Supt. Grey Knaus of Cornell, although the number of beef cattle in the mid-Upper Peninsula are increasing. Jack Little said today Fair registry of dairy cattle in the open class showed 147 Holsteins, 100 Guernseys, 66 Jerseys and 17 Brown Swisses.

Holsteins Lead
Star performers in the Guernsey show will be the Eimer Johnson herd of Escanaba and the Sheldon Kline herd of Wallace, account for all the class. The Jerseys will have top showmen in Gerald Benson of Lone Elm Farm, Carney and Kenneth Benson and his sons of Powers, the Berli Johnson herd of Carney and the Bernard Carlson Jerseys of Powers.

Junior exhibitors like the Ford boys of Cornell will contribute most of the Brown Swisses.

The Holsteins are always the

FORTY-FIVE hundred pounds of dynamite were shot in this blast at 9 a.m. today to open a trench in the rock bottom of the Escanaba River for laying of the Great Lakes Transmission Co. natural gas pipeline from northwestern Canada to

Eastern Canada. The blast scene is above Boney Falls. Water and rock were thrown 50 feet high by the blast, which did not detonate all of the explosive. (Related picture on Page 3. (Daily Press Photo))

Fair Week Assembly

Ag Commission Here Wednesday

The Michigan Commission of Agriculture, policy-making body of the state agricultural department, will hold its August meeting Wednesday and Thursday in Escanaba during the Upper Peninsula State Fair.

Sessions will be held at the Pioneer Motor Inn. The Wednesday session is slated to begin at 1 p.m., and the following day's meeting will start at 9 a.m., said Director B. Dale Ball of the Michigan Department of Agriculture.

Among other matters on the tentative agenda are reports on statewide meat inspection, Michigan Apple Committee procedures and budget, bean inspection, the department's budget, State Fair development, the pesticide situation, and requests for premium funds and advertising funds.

Both the Upper Peninsula State Fair and the State Fair at Detroit became units of the department under the reorganization of state government. The department is responsible for the wholesomeness and purity, registration of pesticides, analysis of feeds and fertilizers and many other responsibilities.

The Commission of Agriculture is a five-member bipartisan body, and consists of Mrs. Rebecca Tomkins of Traverse City, chairman; Walter C. Lange of Sebawaing, vice-chairman; H. Thomas Dewhurst of Benton Harbor, secretary; Charles Donaldson, Jr., of Daggett; and Blaque C. Knirk of Quincy.

Schools To Open Bids, Then Wait On Millage Vote

The Escanaba Area Board of Education will open bids for gasoline and fleet insurance at its regular meeting at 8 p.m. Tuesday, but acceptance or rejection won't be certain until after Monday, Aug. 19.

Aug. 19 is the date for the board's special millage election and the gasoline and insurance requirements will be directly affected by the result.

Defeat of the 5.4 mill proposal would result in elimination of bus transportation, greatly reducing the district's need for gasoline and cutting buses from the insurance policy. Cutting bus transportation is one of the economy moves proposed by the Board of Education should the millage proposal be defeated.

In other business Tuesday, the Board will open bids for milk, but these also will be submitted on a conditional basis. The Board last week asked for bids from private concerns to conduct the hot lunch program in the schools this year and the milk bids will be related to the response to that request.

Approval to hire several new teachers is expected and the Board also will consider authorization to continue the Junior High reading program under Title I of the Elementary-Secondary Education Act. Reports from the superintendent on enrollment and other school business also are expected.

Beagle Voyage Relived Tonight In WNMR Show

MARQUETTE — A look at the vast region between the planets and the sun and man's attempts to understand it is examined at 8 p.m. Thursday on WNMR-TV, Northern Michigan University's educational television station.

Other featured programs this week:

Charles Darwin's historic voyage in 1835 to the Galapagos Islands at 7:30 tonight. At 9:30 tonight, conductor Erich Leinsdorf leads the young players of the New England Conservatory Orchestra through the third movement of the Mahler symphony.

A young Canadian doctor serves in a Nigerian mission hospital at 8 p.m. Tuesday. Reports on Egypt one year after the Arab-Israeli war at 7:30 p.m. Wednesday.

The last battle fought on British soil in 1746 at 9 p.m. Friday.

Bark River Birth

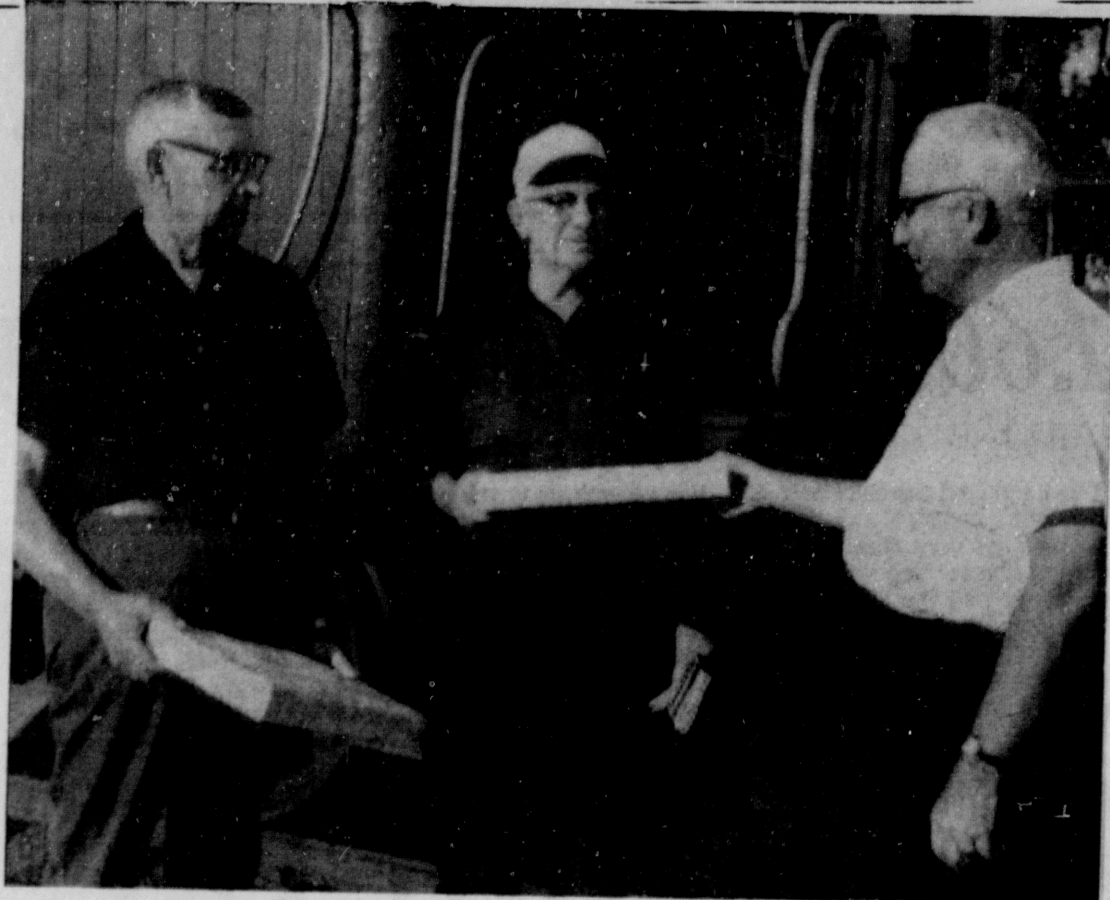

A son was born to Mr. and Mrs. Harry Bolm of Falls Church, Va. on Wednesday, Aug. 7, at 10:45 a.m. The mother is the former Janet Sacra and the father is the son of Mr. and Mrs. Elmer Bolm of Rte. 1, Bark River. The baby has one sister, Vicki.

Mr. and Mrs. William Beyer and daughter of Clawson and Mrs. Harold Zimmerman of Norway were guests of Mrs. Edith Poisson Friday. Mrs. Beyer is the former Luelia Ranger and Mrs. Zimmerman was Mary Lou Ranger, daughters of Mr. and Mrs. Ernest Ranger of Wilson.

Born Feb. 27, 1906, he entered service with the E&LS in September 1922 as a section worker at Ralph and was promoted to section foreman in 1952. He has served 46 years. Harold F. Weber, center, conductor, was born May 1, 1903 in Escanaba and joined the E&LS in March 1924 as a brakeman when only steam locomotives were used by the road. He was promoted to conductor in November, 1941 and has served 44 years altogether. (Daily Press Photo)

Marquette Gets Soil Testing Lab For U.P.

Michigan's soil testing services have been expanded to offer farmers new tests for total carbon, micronutrient availability and nutrient ratios. J. L. Heirman, Delta County Extension agent, says results of a total carbon analysis give a measure of the soil's organic matter content. Technicians correlate this with the field's cropping history for more precise recommendations for nitrogen fertilizer and rates of pesticide application.

Critical levels of copper, manganese and zinc may be determined by micronutrient tests offered only at the MSU lab, says Heirman.

A new feature of the standard soil test is the calculation of relative concentrations of three important nutrients. Referred to as the "per cent total exchangeable bases," the test shows whether an imbalance exists which could reduce the availability of magnesium, calcium or potassium.

"It is of special interest to operators whose fields have plenty of potassium and show a corresponding low test for magnesium," said Heirman. "The results of a pre-season soil test can indicate the nature of the problem in time to change the fertilizer prescription."

"A soil testing laboratory for the Upper Peninsula will be located in Marquette under the leadership of Dr. Donald Christenson, soils specialist for Michigan State University. If soils tests are made we can get the most for our fertilizer dollar."

In Service

James G. Ward III, former resident of Escanaba, has returned to his home in Green Bay, Wis., after three years' service in the U.S. Army, including a year's combat duty with a medium helicopter company in Vietnam.

His stateside stations were Ft. Leonard Wood, Mo.; Ft. George Meade, Md.; Ft. Benning, Ga., and Ft. Campbell, Ky., where he was discharged Aug. 7. Ward had two years at Ferris State College, Big Rapids, Mich., before he enlisted in the Army, and he is now enrolled in Northeastern Wisconsin Technical Institute, Green Bay.

Dennis C. Swanson, 22, son of Mr. and Mrs. Roy Swanson, 208 S. 18th St., Escanaba, was promoted to Army Spec. 4 while assigned to the 4th Armored Division in Germany. Swanson is a tank driver in Co. A, 3rd Batt. of the division's 37th Armored at Erlangen. He entered the Army in March, 1967, completed basic training at Ft. Campbell, Ky., and was last stationed at Ft. Polk, La., before arriving overseas in Sept., 1967. He is a 1963 graduate of Escanaba Area High School and attended Stout State University, Menomonie, Wis.

Army Pvt. Richard J. Perle, 24, son of Mr. and Mrs. Nicholas J. Perle, 508 N. 3rd St., Wells, was assigned to Headquarters Co., Ft. Myer, Va., as an electronic engineer assistant.

Dr. Sundelius Wins Promotion

SPRINGFIELD, O., — Dr. Harold W. Sundelius, assistant professor of geology in Wittenberg University's undergraduate college, will be promoted to associate professor Sept. 1. Dr. Sundelius is the son of Mr. and Mrs. Herbert A. Sundelius, 1115 First Ave. S., Escanaba.

CLASSIFIED ADS COST LITTLE BUT DO A BIG JOB

Millage Facts

Q. Who's the so-called "friend of the people" who consistently urges a NO vote at every school millage election?

A. That's a good question. This we do know: Some live outside the area school district; some are tax exempt;

some could well afford to pay a millage increase of 100 mills; but none of them puts education of the children of our community ahead of money. And not very much money, mind you; because Escanaba is not out of line with other communities of its size and condition in school spending.

Mrs. Grenier Dies Suddenly On Friday

Mrs. Lillian Grenier of 907 Prospect Ave., Gray's Lake, died suddenly at her home on Aug. 9. She was born in Escanaba June 10, 1916 and had been employed in the office of the Charles Brunning Co. of Chicago for 20 years.

She is survived by one daughter, Mrs. Gordon (Donna) Westbey of Wildwood, Ill.; one brother, Wilfred Carlson of Detroit; two grandchildren and two sisters, Mrs. Esther Olson of Lincolnwood, Ill. and Mrs. Violet Artley of Escanaba.

Graveside services will be conducted by the Rev. Erland Carlson at 2 p.m. Thursday at the Lakeview Cemetery Chapel and burial will be in the family lot, Anderson Funeral Home of Escanaba is in charge of arrangements.

Powers-Spalding Saddle Club

The Roving Horsemen 4-H Saddle Club held a meeting at the home of Mabel Bellemore, Powers, Thursday night. The next meeting will be at the David Nazur home in Powers on Monday, Aug. 19.

Seven members of the club who are going to the Upper Peninsula State Fair this week are: Mabel Bellemore, Kathy Dault, Helen Prestay, Bill Prestay, Peggy Weissert, James DuBois and Chris Diedzie. All members may attend the open show at the State Fair Saturday, Aug. 17.

Mrs. Joseph Prestay donated the material and Mrs. Kenneth Bellemore made the club flag which will be used during the Fair.

The local Roving Horsemen 4-H Saddle Club is sponsoring a 4-H Horse Show Sunday, Aug. 25, at the Joseph Prestay farm on the LaBelle Road south of U.S. 2. Trophies and ribbons will be awarded.

Obituary

DONALD A. AKERLY
Funeral services for Donald Allen Akerly were held at 9 a.m. Saturday at St. Anthony's Church of Wells with the Rev. Norbert Freiburger officiating. Burial was in the McFarland Cemetery. Pallbearers were William Akerly Jr., Dale Akerly, Jack and Eddie Kidd, Lee Cederberg and Michael Wise.

Train Operators

GRAND RAPIDS (AP)—Sen. Philip A. Hart, D-Mich., announced Thursday a \$42,000 Labor Department grant will enable 20 unemployed persons to receive training as production machine operators.

The training will be conducted at Ottawa Hills High School in Grand Rapids.

Briefly Told

The Barbershoppers will meet at the Dells Supper Club tonight at 7:00 p.m. The uniform of the night will be vests.

All Franklin School PTA officers and committee chairmen are to be present at a meeting at 7:30 p.m. Tuesday in the Franklin School library.

FIFTEEN HUNDRED feet of concrete-coated 24-inch pipe-line is pulled across one section of the Straits of Mackinac late last week as part of a Great Lakes Gas Transmission Co. operation. It will take the company, jointly owned by Trans-Canada Pipe Lines Ltd., and American Natural Gas

Co., several more days to lay the pipe beneath the water in the 4½ mile strait. The Mackinac project is part of a gas line being laid from Emerson, Man., to Sarnia, Ont. (CP Wirephoto)

V. Slagstad Dies Suddenly

Vincent Slagstad, 40, of 529 S. 12th St. died suddenly early today at Bellin Memorial Hospital in Green Bay.

Death was caused from a brain injury suffered when he fell on a flight of stairs. Brown County Coroner Timothy Blaine said death was accidental. Mr. Slagstad was visiting friends and apparently fell from a second floor landing on the stairs.

He was born Feb. 28, 1928 in Baron, Wis. and had resided in Escanaba for the past 35 years. He was a member of St. Stephen's Episcopal Church.

He is survived by his widow, Patricia; and one son, Duane, at home; his mother, Mrs. Freda Foster of Escanaba; four brothers, Verne of Cornell, Wayne, Milwaukee, Eugene of Escanaba and Russell Lind of Escanaba; two sisters, Mrs. Clarence Johnson and Mrs. Robert (Verla Rae) Beauchamp, both of Escanaba.

Friends may call at the Deegan-Crawford Funeral Home from 3 to 9:30 p.m. Tuesday and complete funeral services will be conducted at 2 p.m. Wednesday at the funeral home chapel.

Four Men Fined On Game Charges

Four men were arrested by Conservation officers on the night of Aug. 5.

The men, Leonard F. Sawdy, 36, Mt. Clemens, Joseph W. Tuckett, 19, and Frank Tuckett, 58, both of Dearborn Heights, and Ronald J. Krancicky, 24, of Dearborn, were arraigned before Justice Ross Davis of Gladstone on Aug. 6. The men pleaded guilty to the charge of using an artificial light and a revolver in the attempt to take wild animals. Each was fined \$20 and assessed court costs of \$7.80.

Motorist Pays Driving Fine

Arnold J. Edberg, 24, of Star Rte., Iron Mountain, pleaded guilty in Municipal Court today when arraigned on a charge of drunk under the influence of liquor.

Edberg paid a \$50 fine and was assessed \$5 court costs. His driver's licence was automatically suspended.

Edberg was arrested by Escanaba police early Saturday. Alex T. Cathcart, 65, of 326 N. 16th St., was scheduled to be arraigned today on a charge of driving under the influence of intoxicants. Police said he was arrested at 1:50 a.m. today.

Invite Public To Water Plant

To focus attention on "Willing Water Week" the Escanaba Municipal Water Utility will hold open house at the Escanaba filtration plant from 9 a.m. to 9 p.m. Tuesday through Monday, Aug. 19.

Employees will be available to conduct tours of the plant, answer questions and explain the operation of the system.

"Willing Water" is more than the cartoon that is the symbol of public water supply, said Francis D'Amour, superintendent. It is the concept of service behind it.

In adopting this concept your water utility is expressing a willingness to provide the kind of service that modern technology persons—that is all the water the public needs, when and where it needs it at adequate pressure, D'Amour said. The water also is soft, clear, non-staining and without undesirable taste or odor and is not harmful to plumbing.

Prisoners Free Indiana Guards

MICHIGAN CITY, Ind. (AP) — Two State Prison guards held by rebellious inmates were released unharmed Sunday after a newsman listened to prisoner grievances.

Two ringleaders of the six-hour disturbance were placed in maximum security cells after the meeting. The newsman, Al Spiers of Michigan City, listened with Warden Ward Lane and Anthony Kuharich, state correction commissioner, for more than an hour to various complaints from some 20 prisoners.

Spiers said the majority of the 150 inmates in the block appeared unconcerned although "about two dozen leaned over the railings of catwalks to see and hear what was going on."

The guards, Fred Parker, 25 of Michigan City, and Frank Dunn, 27, of Portage, Ind., told officials they were not abused or threatened. Spiers left the cellblock soon after the guards. Lane identified the ringleaders as William Francis Brown, 31, and James Lee Collins, 30.

Television Set Taken In B&E

A portable television set, power equipment and a quantity of liquor was reported missing to State Police Sunday in a breaking and entering of a cottage at Garth Point.

Melvin Carlson, 1106 Minneapolis Ave., reported to police that his cottage was entered through a sliding window which was not locked. Officers are continuing to investigate.

Wayne Probes Inkster Killings

INKSTER (AP) — Assistant Wayne County Prosecutor Jesse Eggleton has been named to head an investigation into the deaths last week of a 14-year-old Negro boy and a white State Police intelligence officer in Inkster.

The white policeman was shot early last Thursday as he sat in his unmarked car. The slain trooper's companion, who has been identified only as a Negro officer, said the shots came from a passing car with a number of Negroes in it, according to Inkster city councilmen.

The boy was killed about a half hour after the after the shooting of the policeman. Wayne County Prosecutor William Cahalan said Saturday after an autopsy Friday that James Elliott Matthews died from 13 shotgun pellets that carried "a considerable distance" before striking him in the back, legs and feet.

Funeral services were held Saturday for State Police Detective Robert Gonser. About 50 troopers, including State Police Director Col. Frederick Davids attended the services in Grand Haven.

Buried In Sand; Boy 5, Survives

DETROIT (AP)—A 5-year-old boy was reported in good condition after being buried under several feet of sand for some 10 minutes Sunday. Police say the boy, Gary Barrick, was playing with friends at a construction site when he was buried in a sand slide. One of the boys summoned help and a neighbor, 24-year-old John Hogsett, began to dig out the unconscious boy with his hands. Firemen arrived to assist and Hogsett collapsed after the rescue and both he and the boy were taken to Detroit General Hospital. Hogsett was treated and released.

Car Crash At Moran Kills 2

By The Associated Press
With highway traffic fatalities running well ahead of last year in Michigan, at least 22 more persons were killed in traffic accidents across the state over the weekend.

Near week's end, State Police reported 1,304 persons had lost their lives on Michigan roadways so far this year compared to 1,142 deaths for the same period of 1967.

Meanwhile, in Detroit traffic fatalities were up nearly 30 per cent this year over the same period of last year and the number of tickets written for moving violations was down almost 45 per cent.

"Ticket writing policies are the same as last year," said Inspector Arthur Sonnenberg, head of the Detroit Accident Prevention Bureau. "The tickets just aren't coming in. When enforcement is down, fatalities go up."

The Associated Press weekend count began at 6 p.m. Friday and ended midnight Sunday.

Victims included: William Lasanen, 33, of St. Ignace, and Daniel Sullivan, 20, of Mobile, Ala., who were the drivers of both cars involved in a head-on crash at Moran Township in Mackinac County Sunday.

Briefly Told

Ronald Gentz, 20, Horicon, Wis., struck a deer with his car on M-35 about 7:05 a.m. today. The accident happened just north of No-See-Um Creek, State Police reported.

The deadline for making application for absent voter ballots for the Aug. 19 special school election is 2 p.m. Saturday, Aug. 17, according to City Clerk Donald Guindon.

Escanaba firemen responded to an open field north of the Chicago & North Western railroad depot at 3:55 p.m. Sunday to extinguish a grass fire. There was no damage.

Mrs. Joyce Kirschner, Powers, reported to Escanaba police that her wallet containing \$8 was stolen from her car Saturday night while she was watching the stock car races at the U.P. State Fairgrounds.

A breaking and entering at the home of Ray Pakarinen, 505 N. 19th St., is under investigation by Escanaba police. Officers said entry was gained through a rear bedroom window. A blue makeup case, \$6 in cash, two rings, and food was taken.

Two juveniles, one from Wisconsin and the other from Illinois, have been released by State Police to their parents after they were picked up in connection with a breaking and entering of the Forl River Mobil service station. Officers said money taken in the breaking and entering was returned voluntarily.

Escanaba police issued traffic summonses to the following motorists: George V. Meyer, 1603 N. 18th St.; James M. Schug, Hudson, Wis.; James F. Botrow, 601 S. 11th St.; and Diane L. Flath, 117 S. 6th St., all for failure to exercise due care and caution; Richard P. Milkiewicz, 306 Stephenson Ave.; Thomas J. Ammel, 1413 Lake Shore Dr., and Edvard J. Pleiff, Rte. 1, Stephenson, all for speeding; Virginia M. Pepin, Rte. 1, Bark River, and Robert L. Oliver, 324 N. 11th St., failed to stop for stop sign, and Louis J. Williams, 1013 2nd Ave., N., improper start.

Decision At Cierna

The Republican convention at Miami Beach got the headlines, but history may decide that what was happening at the little frontier town of Cierna in Czechoslovakia was more important in global politics.

Certainly there was more indecision about Cierna than at Miami.

The Czechs have been throwing Moscow-chosen communist stooges out of office in their government and insisting on other reforms within their own communist system. They insist that this is all done as good communists and with no thought of breaking away from collaboration with Russia.

But Russia had a very different view of the matter. Its rulers feared that if Prague could get away with running its own communist show that other satellite countries would soon be trying the same trick and that this self-rule would weaken Russia's control of its neighboring states.

So Russia summoned upstart Czech Communist party boss Alexander Dubcek to an accounting in Russia, but Dubcek said they'd have to come to Czechoslovakia to talk about it. The Cierna meeting followed and then there was another meeting at Bratislava with the communist leaders of East Germany, Hungary, Poland and Bulgaria, who had opposed the reforms in Prague while the other communist countries of Europe had generally supported them.

What happened in the conferences isn't fully clear, but observers say that Dubcek had to make some concessions but came off with a historic victory for the Czechs. Russia used its muscle — war games and threats — to halt the Czechs, reforms and renew their old subservience to Soviet Russia — but it didn't prevail.

Some observers suggest that Russia learned at Cierna what the United States has learned at Hanoi; that a big nation can't always bully a small one into surrender. Russia could wipe Czechoslovakia off the map militarily, but diplomatically it couldn't have its way — at least not all the way — with the angered Czechs.

They were sick of the party hacks that Russia had put in high office in their government, they were sick of a sluggish economy under communism when neighboring West Germany was bustling with free enterprise; and they were especially sick of the cultural dry rot that Russian suppression of freedom had brought them.

There were suggestions that Dubcek had had to yield to Russian demands to curb Czech press freedom and also to limit Prague's trading and diplomatic relations with West Germany. But the talks ended without Russian troops on Czech soil and with the Czechs still able to continue an ideological struggle with Moscow that insists they have a right to fashion their own socialist system.

With the memory of Russia's bloody suppression of self-expression in Hungary still so fresh in Central Europe, the Czech reformers' survival of the confrontation was spectacular. It will unquestionably change the attitude of Russia's satellites and their relationship with her.

It may change Russia's relationships with the United States! Some of our own diplomats wouldn't be surprised if Moscow moved closer to the United States as result of Cierna. She may want more friends outside the communist orbit after having chilled some within the orbit. Both liberal and conservative communists in European countries outside Russia were annoyed by Moscow's bluster in the Czech crisis and that won't help her with her scheme to create a world communist conference to contain hostile Red China.

A brave little people have met the bear and survived and maybe the bear will change, along with the Czechs.

Weighty

More than nine years after it first begun considering the weighty matter, three years after it began public hearings and 7,800 pages of testimony later, the Federal Drug Administration has finally decreed:

A one-pound jar of peanut butter must contain at least 90 per cent peanuts and no more than 10 per cent other stuff, like emulsifiers and stabilizers.

If that doesn't stick to the roof of your mouth, try another example of your federal men in inaction:

In 1965, a Florida trucking company applied to the Interstate Commerce Commission for permission to establish a route between Jacksonville and Miami.

After 38 months of legal negotiations, 13 months of commission hearings, testimony from 297 witnesses, 545 exhibits and the piling up of transcript of 16,000 pages, the ICC has granted approval.

As Jefferson might have said: That government governs least that governs most.

BARBS By PHIL PASTORET

People who speak lovingly of the ties of friendship never received some of the birthday presents hanging in our closet.

The fellow who can't keep a stiff upper lip should never try to trim a mustache.

Our Gal Friday said she wasn't fighting with the boss's secretary — it was just a misunderstanding.

Our colleague's small daughter is stealing our thunder. She says her cranky, small brother is a little, old whinemaker.

Keeping up with the Joneses would be a lot easier if the Joneses weren't trying to keep up with the Smiths.

Considering that they never go near the water, why do they call 'em "bathing" beauties?

Last Iron Herald Issue On Thursday

Pellow Suspending Negaunee Weekly

NEGAUNEE—Effective with its edition of Thursday, August 15, the Negaunee Iron Herald will suspend publication. Thomas Pellow, publisher, announced today.

Closing of the Negaunee weekly brings to an end an era in the publication field that covered more than 95 years. The Herald would have started its 96th year on Nov. 22.

Oldest In U. P.
The Herald is the oldest weekly in the Upper Peninsula and the second oldest among all publications, only The Mining Journal being older.

In announcing the suspension, Pellow said his decision was influenced by constantly increasing difficulties encountered in publishing a weekly newspaper. Among them he cited a dwindling margin of profit due to higher production costs, necessity of keeping abreast of new developments in the offset equipment field and lack of potential help.

"Production costs are constantly on the rise, and the weekly newspaper has a difficult time increasing its rates to keep up with higher costs, among which taxes is a major item," he said.

Help Is Problem
"As a result, there is less of a reserve for equipment replacement, and this is of vital importance in the offset field, where what you purchase today may be old next month. "Another major problem in the weekly field is finding competent help, for despite the fact that there are many job opportunities, young people today are not interested in printing as a career. As a result, it has been decided to suspend the publication."

Prior to taking over as sole publisher of the Herald a year ago, Pellow was engaged in a partnership with his brother, Richard W., known as Pellow Printing Co. Richard Pellow will continue to operate his printing firm at the same address, 318 Iron St.

Established By Griffey
The Herald was established in 1873 by C. G. Griffey, who came to Negaunee from Pennsylvania.

According to his reminiscences written for the semi-centennial anniversary edition of the paper in 1923, Griffey negotiated a contract for \$1,000 in advertising with local businessmen, and then returned to Oil City, Pa., where he contracted for the plant of the defunct Daily Telegram.

The first impression of the paper was taken at 11:30 p. m. on Thursday, Nov. 13, 1873. Dr. T. L. Hirschman, then associated with Dr. L. D. Cyr, having waited until that hour, took the first copy of the paper as it came off the press and became the first subscriber.

Partnership Formed
The first printing job was done for the Odd Fellows Lodge of Negaunee. This was ordered by Edward Moyle, who at that time owned a small wagon shop on Marquette St. He brought a \$3 Collins Iron Co. bill in payment, the bill never being redeemed, the uttering company having failed at about that time.

Griffey operated the enterprise alone until about 1885 at which time Thomas J. Flynn, who had been employed in the plant from the time of its opening, became a partner in the venture.

The Griffey-Flynn partnership continued until Fred Dougherty, son of James C. Dougherty, a one-time Negaunee station agent, purchased Griffey's interest in April 1903.

Purchased By Pellow
When Flynn died in 1923, Dougherty purchased the Flynn family interest and continued as sole publisher of the weekly until his death in 1934, at which time his sister, Miss Mary Dougherty, took over the business.

Miss Dougherty operated the paper until Jan. 1, 1948, when it was purchased by Thomas F. and John K. Pellow. The brothers continued their partnership until February of 1952, at which time John, a Navy pilot of World War II, was recalled to service for the Korean conflict and his interest was purchased by Richard W., a third brother.

Had Five Homes
During its 95-year span, the Iron Herald had five homes. Equipment was initially located in a pioneer structure owned by Dr. Cyr, the only available space in town. This building was located on Gold St. between the structure which is presently occupied by Bertucci's Barber Shop and a warehouse building.

The paper was next located on the second floor of the Neely Block, where it remained for several years before being moved to the second floor of the Green and Davis Building, where it remained until the property was purchased and remodeled as the home of the First National Bank in 1907.

At this time the paper was moved to a site on Jackson St. in a building located next to

Hill's Garage that was later torn down. In the early 1930's the plant was moved to its final home on the ground floor of the Pioneer Agency Building.

People, Events Of Yesteryears

From the Files of the Escanaba Daily Press

25 Years Ago

Sgt. Royal Camps, son of Mr. and Mrs. Ed Camps, Nahma, wrote an interesting letter home. He told his parents that he visited the ruins of Carthage and went through the St. Louis Cathedral and it was the most beautiful sight he ever saw.

The first annual city archery tournament will be conducted at Ludington Park playground at 6:30 p. m. All persons wishing to participate in the event are asked to report to Mrs. Leona Erickson, playground director in charge of the tournament.

50 Years Ago
An unprogrammed combat, one which was witnessed with regret by a large crowd of people at Ludington Park Sunday, was a struggle between a large collie dog and one of the deer in the wire enclosure. It resulted in the death of the deer.

Earl Casey, dock worker, fell 40 feet into an ore pocket Sunday night and escaped with nothing more than a bad shaking up and a few bruises. After the rescue he was able to walk home and he will be laid up but a few days.

The Family Lawyer

MAN VS. BEAST

Hot-tempered Brown, seeing a neighbor's Airedale frolicking on his lawn, took out a pistol and fired a fatal shot. Sued later for damages, Brown protested that the dog had been "trespassing on my private property."

But the court held him liable anyhow. The judge commented:

"A dog should not be the object of target practice simply on the grounds that it was outside the custody of its master."

Generally speaking, you are not justified in killing someone else's domestic animal merely because it is trespassing on your premises. Nor is killing justified by other annoyances of a similar petty character.

For example, a court held that a man had no right to kill a dog for walking across his freshly-painted porch. And another court reached the same conclusion when a man killed a dog for chasing his pet cat up a tree.

But the life of a domestic animal is not sacrosanct, either. If the animal inflicts damage that is sufficiently serious, this fact may justify his aggrieved victim in striking back.

Accordingly, a court ruled that a suburban home owner could not be blamed for slaying a cat which had a long record of raids on his hen house.

This right of retaliation is usually recognized even if the animal is one which comes under the protection of the local game laws.

One community had a game law forbidding the killing of "monkey face owls." But a farmer who killed one of these creatures was exonerated when he pointed out that this particular owl had done away with more than 100 of his chickens.

Of course, the strongest justification for killing an animal arises when it is menacing not just a person's property but his own or his family's safety.

Thus, by centuries-old doctrine, the law puts its stamp of approval on the killing of a dog that is rabid. The right to kill a mad dog belongs to every man, because a mad dog is every man's enemy.

Ann Landers

Bluff Called; Life Together Is Eased

Dear Ann Landers: "Picked On Teen" needs more advice than you gave her. Perhaps I can succeed where you failed. I had a mother like hers and she nearly wrecked my life. I'd like to tell that girl what a kindly clergyman told me.

Dear Picked On: No one can give anyone else a nervous breakdown. If a person has a nervous breakdown it is because he or she cannot stand the strain and stress of life.

My mother always used her nerves as a club to keep everyone in line. If she didn't get her way she would yell at my father, "You're going to give me a nervous breakdown." It always worked. When I got older she used the same technique on me. I was so afraid I'd be responsible for sending my mother to a mental institution that I obeyed her every command and broke my neck to satisfy her slightest whim.

When I was 23 I began to date a medical student. He was the kindest and most intelligent man I had ever known. We fell deeply in love. Mother hated him because he was short and his family was poor and undistinguished. When I told her we were going to be married she said, "If you marry that runt I'll have a nervous breakdown." I became so confused and unsure of myself I developed terrible headaches and couldn't go to work.

My doctor urged me to talk to my clergyman. My clergyman advised me to tell my mother that if my marriage was going to cause her to have a nervous breakdown I was sorry but I was going ahead with the marriage.

That was 10 years ago. Mother has been surprisingly easy to live with since I called her bluff. She now enjoys her four grandchildren and has never mentioned a nervous breakdown since.—RUG PULL-ED

Dear Rug: Thanks for your fine letter. You certainly gave "Picked On Teen" more help than I did, and I thank you.

Dear Ann Landers: I confess I used to read your column for kicks but now I am hooked by your good advice. You let me down badly the

other day when you gave a flip reply to the woman who wanted to know if she should spend \$100 on a suit to bury her uncle in. The woman said he was an atheist and she was afraid she'd get a lot of criticism from her religious relatives. You replied, "Don't spend \$100 on a burial suit for an atheist. He'd be all dressed up with no place to go."

How do you know where he is going? Have you ever known anyone who came back with a report? Some very outstanding people in this world are atheists or agnostics. In my opinion you owe them all an apology.—VALLEJO READER

Dear Reader: I'm sorry if you thought I was flip, but humor can be a useful device and I sometimes use it when I feel it would be pointless to engage in serious debate.

You are right when you say many distinguished individuals are nonbelievers. While I respect their right to hold an opinion different than mine, I also feel sorry that they may one day be deprived of the strength and the enormous emotional support that belongs to those who have faith in God.

Confidential to Him and Me: Tell your friend all kinds of people read this column for all kinds of reasons. It is strange that he describes your interest as "the morbid curiosity of an eavesdropper or a window-peeper" while he claims his interest is that of a sociologist who wishes to explore behavior problems of the masses. Tell him appaause.

Is alcoholism a disease? How can the alcoholic be treated? Is there a cure? Read the booklet "Alcoholism—Hope and Help," by Ann Landers. Enclose 35 cents in coin with your request and a long, stamped, self-addressed envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope.

Hatlo's They'll Do It Every Time

Coho Miracle Is Four Years Old

CHICAGO (AP)—Lewis and Clark made American history discovering the Northwest Passage.

Tanner and Tody reversed the direction and made fishing history by blazing the Coho trail.

Just four years ago, Drs. Howard A. Tanner and Wayne H. Tody, Michigan conservation experts, began a Great Lakes experiment with Coho (silver salmon) transplants from the Pacific Northwest.

Fantastic is almost a feeble word to describe the resulting explosion of Coho population and Cohomaniac fishermen, primarily in Lake Michigan.

Triggers Boom

It also triggered a financial boom for dealers in fishing gear, boats, travel, food and lodging as Coho Fishermen swarmed to Lake Michigan and its offshore waters and, to a lesser degree, Lake Superior.

With Chinook, whopping salmon counterpart of the Coho, now an added Great Lakes starter, Midwest fishing experts are echoing Al Jolson's famed line: "Folks, you ain't heard nothing yet."

The Coho gold strike was reflected impressively in the recent four-day trade show here

Mayflower Story Will Be Shown Here Wednesday

Senior Citizens and their guests will be treated to an exceptionally fine motion picture Wednesday night at the Drop-In Center when "The Mayflower Story" will be shown.

The film, a dramatic color motion picture which documents the recent history-making voyage of the Mayflower II, was prepared by Aero Mayflower Transit Co. of Indianapolis and covers the entire development of the Mayflower II — replica of the famed Pilgrim vessel which crossed the Atlantic in 1620. It records the period of construction, highlights of the sea voyage, and the Plymouth, Mass. landing which culminated a modern-day maritime adventure that thrilled the people of two nations.

The film runs for 25 minutes and all the excitement, hard-gears, and thrills experienced by Capt. Alan Villiers and his crew of 32 is recreated during the modern re-enactment of the epic Pilgrim voyage.

There are unusual film shots of the tiny vessel becalmed in the South Atlantic, spectacular views of the gallant barque at full speed under full sail, and tense scenes of the sturdy craft as it runs full tilt into an Atlantic gale almost within sight of its goal. Highlighted, too, are the glimpses of life aboard Mayflower II during the 54 days of the 5,435 mile voyage.

Produced by Paul Alley, former television news chief for NBC, the narration is handled by veteran CBS radio and TV newscaster Robert Trout. A second film, "This Is Color," will also be shown.

All senior citizens in the area are invited to attend the 7:30 film showing. No admission will be charged and refreshments will be served.

Miss Sue Gewinner

Mrs. J. H. Fyvie

MISS SUE GEWINNER, cellist, (left) formerly of the Oakland Symphony and Mrs. James H. Fyvie, Manistique pianist, who will be heard tonight in concert at the St. Francis Parish Center when the second Ensemble Concert is presented at 8 p.m. Dr. Robert King, director of the Altoona, Pa., Symphony, is directing the concert.

New Artists In Concert Tonight

Two new artists will be introduced to the audience at tonight's second Chamber Music Concert at the St. Francis Parish Center.

Miss Patricia Barker, former first oboist of the Altoona, Pa. and Elmira, N.Y. Symphonies will perform as will Robert Mumper, head of the piano department at New York State University. The two will be joined by Dr. and Mrs. Robert King, Miss Sue Gewinner, and Mrs. James H. Fyvie in presenting a diversified program of piano and strings and oboe and strings selections.

Dr. King, coordinator and director of the ensemble concerts, said he was very pleased by the enthusiasm and attentiveness of the audience at the first concert held Aug. 4. That concert featured a program of mostly piano and strings whereas the second concert tonight will program a different combination of piano/strings and oboe/strings.

The following selections will be heard this evening: "Concerto For Two Violins", Handel, cello and piano; "Quartet For Oboe and Strings", Mozart; "Quartet For Piano and Strings", Beethoven; and "Serenade", Dohnanyi.

Mumper, recent recipient of a Rockefeller Young Artists Award, will be featured in piano interpretations as will Mrs. Fyvie; Miss Barker will perform on the oboe; Miss Gewinner, cello; Mrs. King, violin and viola; and Dr. King, violin.

The last concert will be presented Thursday, Aug. 15, at the Parish Center.

City Briefs

Mr. and Mrs. Neil F. Anderson, 1311 Minneapolis St., Sault Ste. Marie, announce the birth of a daughter, Michelle Louise, weighing eight pounds, one and one-half ounce, and born on Aug. 8. Mrs. Anderson is the former Janet Olson of Manistique. Maternal grandparents are Mr. and Mrs. Carl Olson of Republic, former residents. Mrs. Fred Anderson of Marquette is the paternal grandmother.

Mr. and Mrs. Ted Morrison of Redford Township and Mr. and Mrs. Jerry Blawie of Wayne visited with Mr. and Mrs. Joseph Carefelle, 193 Cedar St., recently.

Joseph Nelson has returned to Chicago after visiting with his parents, Mr. and Mrs. Alvin Nelson, Range St. He was accompanied by a friend, Michael Cummings of Chicago, who visited with the Nelsons for a few days.

Hospital

Admitted to the Schoolcraft Memorial Hospital on Friday were Charlotte Hafeman and Reva McCaffery. Discharged from the hospital on Friday were Sherri Becks, Deloris Ziegler, Steven Schroeder, Kathleen Bogden, Paul Golowinski, Donna Werner, Michael St. Ours, Edmund Blanchard, Harold Rodgers, and Marlene Bowen and baby.

Pennsylvania Avenue in Washington has borne the funeral processions of six Presidents.

Norman Shirk Dies In Othello

Funeral services were held Friday in Othello, Wash. for Norman Francis Shirk, former resident of Manistique, who died Aug. 6 in Othello.

Norman Francis Shirk was born July 3, 1928 in Rexton and was the son of the late Mr. and Mrs. Charles Shirk. Survivors include his widow, Opal; two brothers, Gerald Shirk of Gladstone and Beryl Shirk of Kalamazoo; five sisters, Mrs. Truman (Leotta) Clark of South Bend, Ind.; Mrs. Hayword (Ruth) Browning, Garnet; Mrs. Ervin (Lorena) Diller, Manistique; Mrs. Peter (Sadie) O'Neil, Shingleton; and Mrs. James (Marion) Carefelle, Iron Mountain.

Elected Party Delegates Listed

Eleven Democrats and 18 Republicans were elected delegates to their respective county conventions in last Tuesday's election.

Democrats from the city include U. S. A. Heggblom, Edwin Wuehle, Paul Hollenbeck, C. Vern Johnson, Earl LeBrasseur, Frank Gierke, Sr., and Clifford Lambert. Doyle Township selected Edwin H. Johnson and Richard Rodgers with Leonard H. Shay and Thurman Skarritt, Sr. chosen from Germfask.

City Republican delegates include John Moffat, Zada Sheahan, Duane L. Waters, M.D., J. Witter Reid, Lorna Lou Moir, Ruth Louise Hubbard and LeRoy J. Belcik were elected from Doyle; Maxine Heath and William N. Miller, Germfask; John P. Miller, Hiawatha; Dorothy Thelander and Elaine Hartman, Inwood; William W. Hoar and Shannon Hubble, Manistique Twp.; Frances LaCroix and John W. Buzzo, Mueller; Norman Andrews and A. Edwin Long, Thompson.

County May Buy Railroad Lands

A decision should be made Tuesday night by the Board of Supervisors on whether or not they will purchase the Manistique and Lake Superior Railroad right-of-way from the Indian River Bridge to Doty, a distance of 35 miles. No price has been announced for the right-of-way purchase.

Other action items on the supervisors agenda include a report on the proposal of the Welfare Dept. to purchase the Moon Apt. building on River St. for welfare dept. offices; consideration of amendments to the County Zoning Ordinance; hear a report on the "Blight Ordinance" for Schoolcraft County; a report on a site or sites for the dumping of large items of refuse such as auto bodies, stoves, refrigerators, etc., and to hear a report on the Ambulance Study committee.

Supervisors will meet at 7 p.m. in the court room of the Court House.

Senior Housing Model On Display

A model of the proposed Senior Citizens Housing Project is on display in the lobby of the State Savings Bank. Manistique's application for the project is still awaiting approval from the Washington, D.C., office of Housing and Urban Development.

Personals

Madeline Fox and her sister, Mrs. Catherine Freegard, both of Pontiac, are visiting with their aunt, Mrs. John Sypher of the Crosby Hotel.

Cathedral Sit-In Charges Neglect Of Chile's Poor

SANTIAGO, Chile (AP) — Some 200 young Roman Catholics—eight of them priests—held a sit-in for 14 hours in Santiago's cathedral Sunday, accusing the church of neglecting the poor while lavishing funds on the coming visit of Pope Paul VI to South America.

The Archdiocese of Santiago said it "profoundly lamented and condemned" the occupation of the cathedral, which was carried out with military precision. Barring the congregation from Mass, the demonstrators held their own service and joined in folk singing led by two Communist entertainers.

Police did not enter the cathedral or arrest the girls and

bearded youths who took over the 100-year-old edifice but jeered as they left the church. There were fist fights and scuffling.

"We're not against the Pope or his visit," to the Eucharistic Congress later this month at Medellin, Colombia, said one demonstrator. "We are against the way the visit is being planned."

"Too much money will be spent on needless ceremony," said a youth.

"The church must realize that it must be for all men, poor as well as rich," said another.

The takeover was carefully planned and carried out with precision. On Saturday, 20 of the youths hid in the confessionals and among the statuary. Before dawn Sunday they opened a door and let in the other demonstrators.

One young man silenced the cathedral's great bell. Another passed out walkie-talkies by which leaders communicated with a central command post. Others stood watch on the towers of the cathedral.

Young girls prepared credentials for newsmen, the only persons allowed in the cathedral other than the demonstrators.

Ulbricht Seeks Czech Accord

KARLOVY VARY, Czechoslovakia (AP) — East German Communist party chief Walter Ulbricht arrived at this Czechoslovak spa today for talks with Prague's reformist leaders on political and economic relations.

Ulbricht was greeted on his arrival by Czechoslovak party chief Alexander Dubcek, the man he tried to get the Kremlin to unseat and whose liberal reforms he opposed so vigorously.

Ulbricht and his hosts were expected to give much attention to economic issues and relations with Comecon, the Communist common market. On the political side, Ulbricht was expected to ask the Prague men for assurances that their dealings with West Germany would not harm the position of the Communist regime in East Germany.

Both Czechoslovakia and East Germany, the two most industrialized of the lesser European Communist nations, have large surpluses in their trading account with the Soviet Union and would like some changes made in Comecon so they could get some benefit from the surpluses.

Viet Red Aims Blast At Nixon

PARIS (AP) — A North Vietnamese spokesman today blasted both the Republican and Democratic parties of the United States, but saved a special attack for the Republican presidential candidate, Richard M. Nixon.

The way was left open for more specific criticism of the Democratic candidate after that party's convention later this month.

Nguyen Thanh Le, spokesman for the North Vietnamese delegation at the Paris peace talks with the United States, went into American politics at a news conference.

He said that the Republican platform and Nixon's personal stand could not possibly lead to an end to the Vietnamese war.

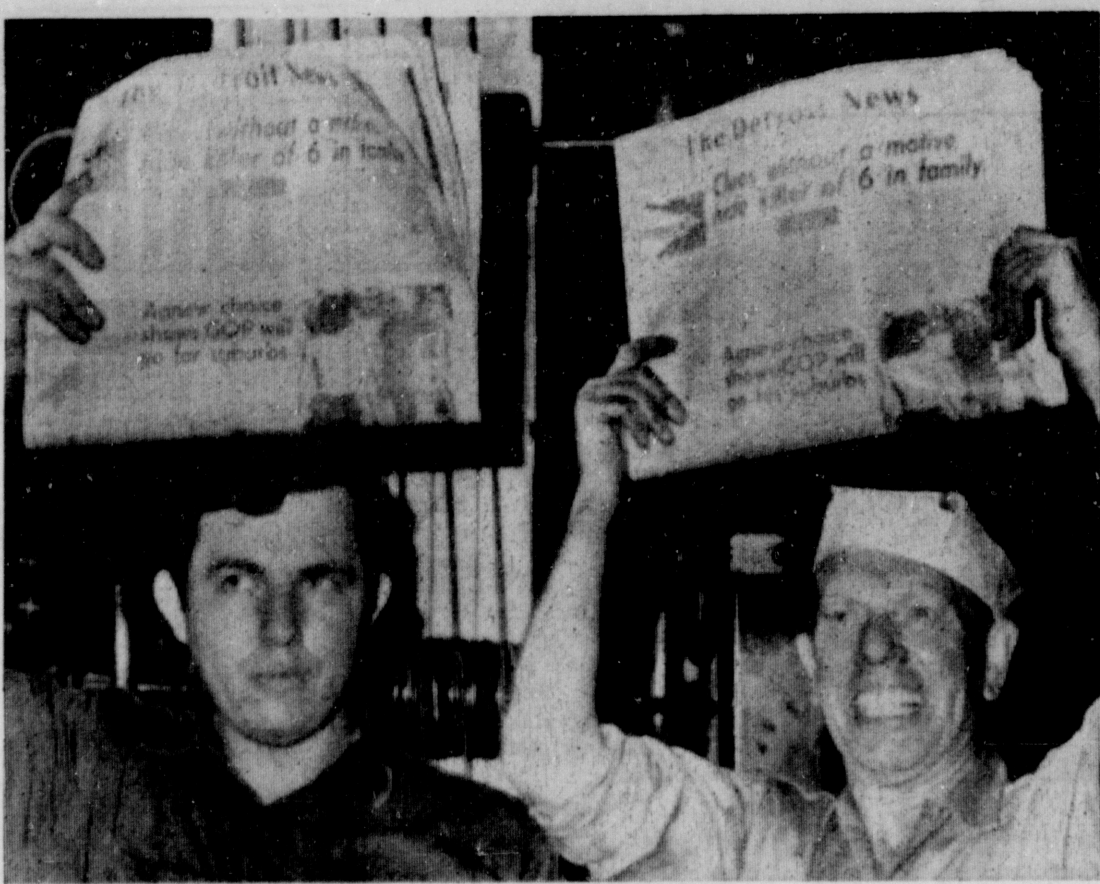

Le asserted he did not want to interfere with the internal affairs of the United States, but thought it was pertinent to give his views on Republican statements concerning Vietnam. He added that he was not referring to any policies of Nixon other than those concerning Vietnam.

Vandals Smash 300 Tombstones

EVANSTON, Ill. (AP) — Vandals desecrated Calvary Cemetery Saturday night, smashing more than 300 tombstones and statues. Cemetery officials estimated that damage will exceed \$100,000, and may run as high as \$500,000.

Vote On 6 Mills

BENTON HARBOR (AP) — Lakeshore School District electors voted today on a six-mill three-year operating levy, rejected twice before. School officials said another defeat would result in educational program cutbacks.

PRESSMEN DISPLAY copies of the first papers published by the Detroit News, Friday, since the end of a long strike which left the Detroit area without locally produced major newspapers for nearly nine months. Both the News and the Morning Detroit Free Press top the 500,000 daily circulation mark. Pressmen are Roger Phillips, left, and Edward Coleman. (AP Wirephoto)

McGovern Gain Is 2 Delegates

WASHINGTON (AP) — Net gain for Sen. George S. McGovern after two days in the Democratic presidential race appears to be endorsement by several former Kennedy aides, approving nods from some former Kennedy supporters and two delegate votes.

But, the South Dakotan said Sunday, he has at least a "fighting chance" to beat out the other two announced candidates, Sen. Eugene J. McCarthy and Vice President Hubert H. Humphrey.

McGovern commented on a radio-television program 24 hours after he entered the race. He intends to use the medium as the chief vehicle for his 11th hour drive before the Democratic National Convention opening in Chicago two weeks from today.

His schedule included three tentative television taping or live sessions today and another Tuesday.

Negroes Beat Albion Officers

ALBION (AP) — Two Albion policemen said they were attacked early today by three or four Negro males as they attempted to get information from a motorist they had stopped for speeding.

The incident, police said, occurred in a predominantly Negro area on the city's north side. Two persons were arrested.

The two officers, Richard Simmons and Dennis Kyser, said they stopped a Negro for speeding and that he refused to identify himself or produce identification.

During this time, some 30 to 40 Negroes approached them and the melee began. Kyser suffered a knee injury and Simmons was punched in the face. During the incident, the motorist drove away. Later, police arrested 17-year-old Marcus Ware of Battle Creek and charged him with fleeing a police officer. He was arrested outside of Albion after a high speed chase.

Dairy Animals Up; Hope For Record At Gate

(Continued From Page One)

most numerous class at the Fair as they are the most numerous dairy animals in the U.P. Henry Wender and Sons of Iron Mountain will show stock from their Edelweiss Farm, Ralph Paulson of Daggett, Willard Grondine of Hermansville and the Philbeck Farm of Menominee will be leading contenders for blue ribbons.

Bartel Judge

Eugene Niemi of Alger will show Ayreshires, but there will be no exotics like milking shorthorns (there are some in the beef division) Red Polled and Belted Dutch.

The Fair's dairy cattle, said Little and most of them will be shown by dairymen who came up to their present leadership in dairy farming through 4-H Club work.

Henry P. (Sonny) Bartel of Sheboygan, Wis., nationally known Holstein authority, will judge that breed and Ed Wright of Saginaw will judge the Guernseys, Jerseys and Brown Swiss.

Charles Lassiter, chairman of the Dairy Department at Michigan State University will address the dairy banquet at the Fair Tuesday evening.

Fewer Beef Cattle

The dairy cattle exhibits show Menominee County still in top position in the U.P. Exhibiting suffers some, Little believes, because of the Gogebic County Fair last week, the Iron County Fair last week, and the Baraga and Houghton Fair next week.

Grey Knaus said that beef cattle at the fair would be under 1967, when 150 were shown. He said the animals were still coming in today and that there would be over 100, mostly Herefords with a few shorthorns from Ontonagon County, and some Black Angus.

The steer show, with 38 animals registered, at which Judge Ed Wright will pick the grand champion and reserve champion, will start at 9 a.m. Tuesday, with the junior livestock breed show to follow in the afternoon.

Steer Market

The market steer auction will be held at 8 p.m. Wednesday. These animals are raised by junior exhibitors and purchased by friends of junior livestock farming for slaughter.

The hope of the future beef show, said Knaus, is the junior show, and he said he thought that beef farmers are feeling the labor pinch, which is restricting the training and fitting of animals for Fair showing.

Fair Manager Clifford Perras said that with good weather the Fair Board of Managers hoped that attendance, which was 150,000 last year, would go to 175,000 this year.

The Fair has premiums totaling \$27,000 and will stress an accent on youth this year, with a new Youth Center in a 40 x 60 tent to a blacktop pad near the main entry creating a "coffee house" setting for teen assembly.

More Color

There is more color at the Fair than ever before with painters at it again on the barns and using up all sorts of oddments in colors, plus polka dots on the cow barns and candy stripes on the exhibition building.

Perras said that there will be more horses at the Fair this year than in many years and that there'd be even more if there was room for them. There have been 21 teams entered in the horsepulling contest on Sunday night. The Junior Saddle Show is Thursday noon and the open class horse show starts at the horse ring at 10 a.m. Saturday.

Perras said that the Ionia Free Fair ran an extra day and delayed some of the concession-

Miami Is Quiet; Curfew Is Cut

MIAMI, Fla. (AP) — Authorities reduced by four hours Sunday the dark-to-dawn curfew that had been imposed on half of Miami to halt street fighting.

The ban on all but emergency traffic was imposed after street fighting, which led to three deaths, broke out Wednesday.

Sheriff E. Wilson Purdy said the curfew hours were reduced to midnight to 6 a.m. and that other steps would depend on the outcome of meetings among residents of the trouble areas.

Purdy, over-all commander of National Guard and police forces that were rushed in after an outbreak of racial violence in three Negro sections, described the curfew modification as part of his "efforts to de-escalate the areas."

Police reported all was quiet again Sunday, the third day without major violence.

Two Syrian Pilots Surrender Planes, Selves To Israel

TEL AVIV (AP)—Two Syrian Air Force pilots flew their MIG17 jet planes across the frontier today and gave themselves up at an air base in northern Israel, the Israeli army announced.

An army spokesman said the planes and the pilots were in good conditions.

One of the pilots was a captain, the other a lieutenant, the army said.

In 1966, an Iraqi air force pilot defected to Israel in a MIG21 jet. It was believed at the time it was the first MIG21 to fall into western hands in such perfect condition.

aires and attractions, but that they'll all be set up and swinging Tuesday afternoon.

The Fair admission charge is 50 cents with children under 14 free and no charge for parking, and Thursday will be Senior Citizens Day with all persons 65 or older admitted free until 6 p.m.

Piedmont Plane Deaths Now 35

CHARLESTON, W. Va. (AP) — Three more persons died Sunday, raising to 35 the number killed by the crash of a Piedmont Airlines plane.

Two survivors, Barbara Schiller, 19, and Thomas Voignier, 27, both of Cincinnati, remained in satisfactory condition at Charleston Memorial Hospital.

"I thought it was all a bad dream, just a bad dream," Miss Schiller said. "I wasn't even looking out the window when it happened. I blacked out and when I woke up they were throwing foam all over us."

Miss Schiller was en route to vacation at Virginia Beach with two of those who died Sunday, Judy Benhase, 20, and Sue Boskin, 19, both of Cincinnati. Darrell Triplett, 20, of Branchland, W. Va., also died Sunday.

The twin-engine Fairchild FH227, flight 230 from Louisville, Ky., to Norfolk, Va., was making an instrument landing in fog and smoke when it crashed short of the main runway at Charleston's Kanawha Airport Saturday.

The plane skipped over the top of a 300-foot ravine before the runway and skidded 75 yards down the airstrip as it caught fire.

The crash is being investigated by the National Transportation Safety Board and the Federal Aviation Administration.

The accident was the fourth fatal crash in Piedmont's history and was the worst air disaster in West Virginia.

Stocks Rise In Early Trading

NEW YORK (AP)—The stock market moved ahead briskly in active trading early Monday.

Advances by individual stocks topped declines by a margin of nearly 2 to 1.

Brokers said a July surge in retail sales, improvement in new orders and production and a rise in employment should be encouraging factors.

Increased spending by individuals may impress investors with the likelihood of a good business year, they added.

The advance was led by rubbers, electronics non-ferrous metals and chemicals.

National General advanced nearly 3 points and Penn Central was up nearly 2.

Gains of about a point were posted by Occidental Petroleum, Sunasco and U. S. Steel. Friday the Associated Press 60-stock average declined .6 to 326.0.

Prices were mixed on the American Stock Exchange.

Heart Attack Fatal To Lasser, Monroe Co. Agent

MONROE (AP) — Robert J. Lasser, Monroe County agricultural extension agent, died at his home today of a heart attack. Lasser, 60, was a Michigan State University graduate and had been in the extension agricultural service since 1935.

Storm Hunter

WASHINGTON (AP) — The Environmental Science Services Administration's seventh weather satellite will take its place in the sky Wednesday to bring the team of storm-hunting spacecraft to top efficiency.

"WILLING WATER WEEK"

"Willing Water" is more than the cartoon that is the symbol of public water supply; it is the concept of service behind it. In adopting this concept, your water utility is expressing a willingness to provide the kind of service that modern technology now permits—that is, all the water the public needs, when and where it needs it, at adequate pressure, soft, clear, non-staining, without undesirable taste or odor, and not harmful to plumbing.

To focus public attention on "Willing Water Week" the Escanaba Municipal Water Utility invites area residents to our open house inspection of the Escanaba Filter Plant from 9 a. m. to 9 p. m., Tuesday, August 13 through Monday, August 19, 1968. Employees will be available to conduct tours of the plant, answer questions, and explain the operation of your water system.

ESCANABA MUNICIPAL WATER UTILITY

Women's Activities

REPRESENTING THE Chatham Home Extension Club in the U. P. Fair Contest is Miss Patricia Joyce Johnson of Chatham. She is a high school student and her official title is Miss Chatham Lions Homecoming Queen. She has blue eyes and has strawberry blond hair. Miss Cherie Maskart of Gladstone is the pageant director this year.

Adventists Announce August Events

L. A. Pomeroy, pastor of the Escanaba Seventh-day Adventist Church and district leader of the Upper Peninsula Adventist Churches has made the following announcements of coming events:

Dr. Wilfrid Belleau, professor at Pacific Union College, Angwin, Calif. will be guest speaker at the local church Saturday morning, Aug. 17, at 9:30. Dr. Belleau is the son-in-law of Mr. and Mrs. John Oliver, 113 S. 5th St.

Pastor L. A. Pomeroy will attend the Pastors' Retreat at Camp Au Sable, Lower Michigan, Aug. 18-22.

"Smoking Sam," can be seen at the Seventh-day Adventist booth at the Fair this week.

Dr. I. V. Stonebrook, associate secretary of the Educational Department of the Seventh-day Adventist Church, Washington, D.C., will be guest speaker at the Escanaba Church Aug. 31 at 9:30 a.m. Dr. Stonebrook is the brother of Mrs. L. A. Pomeroy, 229 S. 25th St.

The Escanaba Church united with some 3,300 other Adventist Churches last Saturday in giving an offering to help raise funds to build new facilities at a Negro college near Huntsville, Ala.

Oakwood College is one of 13 colleges and universities operated by the Seventh-day Adventist Church in the United States and Canada. All colleges are fully integrated, but Oakwood has a predominantly Negro student enrollment.

THE DELTA COUNTY 4-H Queen for 1968 is Miss Kristine Anne Sjoquist of Gladstone, and she will be competing for the title of Miss U.P. State Fair this week. Miss Sjoquist is 16 years of age, a student at Gladstone High School, has blue eyes and blond hair.

VFW Auxiliary Names Convention Chairman

Mrs. George (Lucille) Cholger has been named Department Auxiliary Convention chairman for the Veterans of Foreign Wars Convention to be held in Escanaba June 26-27-28-29, 1969.

Mrs. Cholger has been active in the Auxiliary for 16 years, having served as president of the local Auxiliary for seven consecutive years; district president two years; Department Color Bearer in 1958 and Department Assistant Conduress in 1965. She served on various committees and chairmanships.

Recently Mrs. Cholger was appointed to serve on the National Convention committee for the National Convention to be held in Detroit Aug. 16-23. She will leave Aug. 16 to attend the convention.

Mrs. George Cholger (Lee's Studio)

By HELOISE CRUSE

Dear Heloise:

If you have a car with leather upholstered seats, for heaven's sake and your sake, put one or two dark colored bath towels, preferably brown, in the car.

Keep them rolled up on the floor. Then anytime you park and get out, throw them across the seats.

This keeps the sun off the leather and prevents that "hot seat" problem when you sit in the car later. All you have to do when you come back to the car is remove the bath towels.

It will still be warm, but it won't be blistering and burning like it usually is.

Mrs. A. L. Barner

Thanks, Mrs. Barner. I've had that "hot seat" problem, too.

Heloise

Dear Heloise:

My thanks to the lady who hangs the bottom of her drapes across a clothes hanger and then hooks it on top of the rod for air at night.

I use this particular hint to lift the draperies when wet cleaning my carpeting.

I open all the drapes for light, put the bottoms across a hanger and hook it to the rod. The draperies are then off the floor without my having to remove and rehang all of them.

Char

Letter Of Thought

Dear Heloise:

I think one of the things a woman can do is create an island of quietness in the home. The world is so filled with conflicts and tensions, that it is to the home we must look for peace and serenity.

Minister's Wife

Births

RASMUSSEN—Mr. and Mrs. Vernon Rasmussen Sr., of Rte. 1, Gladstone, welcomed their first child, a son, Vernon Gerald Jr., at 4:25 a.m. on Aug. 10. The infant weighed 6 pounds and 13 ounces at birth. Mrs. Rasmussen is the former Doris Seidl.

CHROGE—A daughter, Tammy Lynn, weighing 6 pounds and 7 ounces was born at 1:33 a.m. on Aug. 11 to Mr. and Mrs. Kenneth Chroge of 221 N. 18th St. The infant is the first child in the family and the mother is the former Patricia Randa.

VANEFFEN—At 12:57 p.m. on Aug. 11, a son, Tony James, weighing 5 pounds and 9 ounces was born to Mr. and Mrs. Lawrence VanEffen of Willow Creek Road. The mother was Darlene Juhl.

LEE—Mr. and Mrs. Kenneth Lee of 1204 Wisconsin Ave., Gladstone are the parents of a son, Kenneth Lee, born at 6:50 a.m. on Aug. 12. The infant weighed 6 pounds and 11 ounces at birth. Mrs. Lee is the former Patricia Thorbahn.

People

Mr. and Mrs. Ernest Kleiman, Cindy and Randy and Betty Lou Anderson of Escanaba and Mrs. Dean Crabbs of North Dakota have returned from a trip to lower Michigan, including Lansing, Ann Arbor, Bay City, Flint and Goodrich.

The attended the christening year to coordinate activities of Christopher Kleiman, infant son of Mr. and Mrs. Kenneth Kleiman of Pacific Palisades, N.J. who were visiting her parents in Goodrich.

They also attended the wedding of their son, John Kleiman and Barbara Warner in Bay City on Aug. 3.

Mrs. Dean Crabbs of Minot, N.D. has returned home and Mrs. Ernest Kleiman of after spending two weeks at 614 S. 29th St.

Textbook Grant

DETROIT (AP) — The New Detroit Committee has awarded two grants totaling \$250,000 for textbooks for inner city sixth grade students and \$125,000 for legal help for the poor. The committee, formed last year to coordinate activities to rebuild the inner city, said a \$100,000 grant will go for textbook in basic academic subjects for 14,000 students.

Both natural and bleached yarns are used for cotton knits.

NAMED TO REIGN over festival activities at Romeo's Peach Festival Queen Pageant were left to right, first-runner-up Sharon Kiehl of Lapeer, Peach Queen Donna Jean Christenson of Flint and second runnerup Cheryl Rademacher of Port Huron. The festival will take place over the Labor Day weekend. (AP Wirephoto)

Billy Smith Wins U.P. Men's Golf Crown

Captures Second Title In Career

A determined charge by Sault Ste. Marie's Bill Smith in Saturday's final rounds of the U.P. Men's Golf Association tournament at the Highland Golf Club, gave him the crown for the second time in his youthful career, with a 289 total for the 72 hole medal event. The slender Soo slugger was in third place following Friday's semi-final rounds, three strokes in back of pace-setting Joe Bociek of Iron River, and one behind Jack Smith of Highland.

Billy Smith

Bociek saw his lead slipping on the front nine, and the tournament entered the ninth hole in a three-way tie. However, a disastrous tee shot by Bociek found the trap, from where he blasted completely over the green, then finished with a double bogey five to fall two strokes behind.

The Smith boys remained tied until Bill moved a stroke ahead on the 11th hole. The big blow to Jack Smith's fortunes came on the 13th hole when he blasted his tee shot out of bounds and slipped four strokes behind with a triple bogey seven. It was youthful Billy's tournament from there on as he finished five strokes ahead of second place Bociek. Smith last won the U.P. tournament in 1966.

Jack Smith and George Young, both of Highland finished in a third place tie at 295. Ken Hruska of Marquette finished fifth and defending champion Dave Conroy of Portage Lake finished sixth at 297.

The first six places in each of the other flights, in order of their finish as follows:

First Flight - J. Thompson, Menominee Riverside; D. Misere, Canadian Soo; Warren Farley, Ishpeming; W. Johnson, Iron River; W. Stanchina, Highland; J. Martin, Highland.

Second Flight - J. Douglas, Highland; C. Melville, Soo Canada; E. Senobe, Marquette; J. Gregory, Ishpeming; H. Borsanti, Soo, Canada; D. Nelson, Highland.

Third Flight - D. Erickson, Escanaba; D. Flaminio, Iron

Mountain; J. White, Soo, Mich.; P. Kates, Soo Canada; B. Farm, Ishpeming; J. Schram, Iron River.

Fourth Flight - G. Royle, Soo, Canada; A. Raack, Highland; W. Steimert, Highland; B. Dillard, Norway; J. C. Miller, Gladstone; W. Killberg, Ishpeming.

Fifth Flight - R. Haasch, Menominee North Shore; J. Quayle, Ishpeming; T. Peterson, Norway; R. LaBresche, Menominee North Shore; P. Sonaglia, Marquette; C. Williams, Norway.

Sixth Flight - W. Green, Escanaba; A. DaDamos, Menominee North Shore; J. Nisette, Soo, Canada; C. Corrigan, Norway; J. Acocks, Marquette; B. Gerndt, Marquette.

Seventh Flight - J. Tormala, Houghton; A. Hammer, Ishpeming; A. Barker, Norway; C. Pelier, Escanaba; E. Hughes, Portage Lake; K. Turner, Escanaba.

Eighth Flight - R. Hamari, Iron Mountain; B. Feller, Escanaba; J. Duca, Highland; G. Malvasio, Marquette; J. Raisanen, Iron Mountain; T. Stade, Gladstone.

Ninth Flight - W. Okinanski, Soo, Canada; E. Farrell, Ishpeming; D. Winther, Menominee North Shore; D. Trotter, Iron Mountain; D. Lindholm, Iron Mountain; W. Mattson, Soo, Canada.

Tenth Flight - R. Maki, Iron Mountain; W. Anderson, Norway; D. Wilson, Soo, Canada; H. Korpinen, Ishpeming; G. Jensen, Iron Mountain; D. Chiapusio, Iron Mountain.

Following Saturday's finals, Highland Club president Hazen Hengesh thanked the golfers for their participation, and also expressed thanks to those at the Highland and the Escanaba Country Club who helped make the tourney successful. He then presented the prizes to the winners, medalist Bociek, champion Smith, and the Highland team of Jack Smith, Gerry Harris, Jerry Martin, Dave Friets, and Jim Douglas.

TEAM CHAMPIONS in the U.P. Men's Golf Championships held the past week at the host Highland Golf Club and the Escanaba Country Club was the team representing the Highland Golf Club. Members of the team were, left to right, Jack Smith, Jerry Martin, Gerry Harris and Dave Friets. Missing from the picture is Jim Douglas. (Daily Press Photo)

Reds Fail In Attempt To Clip Regan's Wings

By The Associated Press
The Cincinnati Reds spent a long weekend trying to clip Phil Regan's wings, but neither bats nor fists could keep the Vulture from his appointed rounds.

Billy Williams' three-run inside-the-park homer in the 15th inning Sunday sent the Chicago Cubs past Cincinnati 8-5, giving relief ace Regan his second victory over the Reds in less than 24 hours.

But Regan, who has been preying on National League batters for three summers with Los Angeles and Chicago, had to work 7 2-3 inning — his longest stint since 1965 — before nailing the victory.

Saturday night the 31-year-old right-hander survived a two-run homer by Lee May and a scuffle with Pete Rose while subduing

the Reds 8-5. Sunday he gave up a tying two-run homer to Johnny Bench in the eighth, then hurled six scoreless innings before giving way to a pinch hitter in the 15th.

After Williams' second homer of the game broke a 5-5 deadlock, Jack Lamabe mopped up the Reds, preserving Regan's seventh straight victory and 10th in 12 decisions this year.

Los Angeles' Don Drysdale beat Philadelphia 1-0 for his eighth shutout; Felix Millan's five hits paced Atlanta to a 5-3 victory over first place St. Louis; San Francisco swept a twin bill from the New York Mets 2-1 and 5-0 behind southpaws Ray Sadecki and Mike McCormick, and Houston trimmed Pittsburgh 5-1 in other National League action.

Regan, nicknamed the Vulture three years ago while running up a 14-1 record in relief for the Dodgers, made his 52nd appearance of the season Sunday, rescuing Ken Holtzman from a seventh inning jam with the Cubs ahead 5-3. He was tagged for Bench's 10th homer after an error by Ron Santo in the eighth, then blanked the Reds on two hits through the 14th.

Don Kessinger, who had five of the Cubs' 14 hits, and Glenn Beckert singled in the 15th before Williams hit his 19th homer — a drive down the right field line that eluded May's bid for a shoe-top catch and rolled to the fence.

Williams poled a two-run homer and Ernie Banks clubbed his 21st of the season in the sixth. "Today's game was the longest I've played since September, 1965," said Regan. "I did get seven innings in a starting game against Philadelphia last year."

"Yes, I got tired in the last few innings. But I didn't lose any of my stuff. In fact, my slider was better at the end than at the beginning."

Regan's slider—which opposing hitters suspect is akin to the spitball—made the Reds see red Saturday night. After May homered in the eighth, Regan hit Tony Perez with a pitch. Cincinnati's Clay Carroll nicked Regan with a pitch in the ninth and Rose took a swing at him after grounding out to end the game.

Eskymo Fan Club To Sell Magazine

The Escanaba Eskymo Fan Club has made arrangements to sell "Michigan Football," a new football magazine with stories and pictures on Michigan Football teams, professional, college and high schools.

The magazine's first issue, which includes the high school section, stories on college teams including stories and pictures of Steve Oman of Illinois, Bill Sarnowski of Central Michigan, Dan Scheuren of NMU and coaches Rollie Dotsch, Jerry Cevengros and Tom O'Neil.

The magazine will be sold at \$1 only by fund raising groups and the Fan Club plans to sell copies at the first Eskymo football game Aug. 31. Fan club members or Eskymos athletes may be contacted to reserve a copy.

Minor League

The annual Minor League All-Star game will be played tonight at Royce Park beginning at 5:30. Joe Osier has been added to the American League All-Stars. League play will resume Monday, Aug. 14, and will follow the schedule announced Saturday.

The punch didn't land... and Regan took another decision in Sunday's 15-round rematch.

Drysdale scattered four hits, struck out eight and drove in the only run with a two-out single in the fourth while snapping a personal four-game losing string and bringing his record to 13-10. It was the big right-handers fourth 1-0 victory of the season, tying the club record previously shared by Nap Rucker, Johnny Podres and Sandy Koufax.

The Braves spotted St. Louis a 1-0 lead on Mike Shannon's second inning homer, then struck for five runs in the fourth, chasing left-hander Steve Carlton. Millan doubled home the go-ahead run and Deon Johnson delivered a two-run single. Pat Jarvis, 11-9, got the victory with relief help from Phil Niekro as Atlanta ended the Cards' winning streak at four games.

Sadecki fired a four-hitter, struck out 13 and retired 23 Mets in order from the second to the ninth, when they ruined his shutout bid on Tommie Agee's two-out triple and Phil Linz' infield single. Willie McCovey tripled in the sixth and scored the deciding run on Dick Dietz' single.

McCovey slammed his 30th homer with one on in the nightcap and McCormick also hit a two-run homer while blanking New York on five hits.

Demis Menke's two-run double in the sixth keyed the Astros' attack and Dave Grist protected Larry Dierker's fifth straight victory with 2 2-3 innings of two-hit relief.

Two District Champs Crowned Over Weekend

Sunday's Results
Perronville 2, Rapid River 1
LaFave's Raiders 3, Michigan Hotel 2
Teamsters-VFW 8, Merchants 1
Rapid River 6, Bark River 2
Mead Paper 3, LaFave's Raiders 2
Teamsters-VFW 3, Flat Rock 1
Perronville 6, Rapid River 2
Games Tonight
8 — Teamsters-VFW vs. Flat Rock

Meat Paper of Escanaba and Perronville won titles in their respective divisions over the weekend in the Men's District Softball Tournament being played at Memorial Field. Teamsters-VFW and Flat Rock battle tonight for championship honors in the Class A-B bracket. The winner wins the Class A crown while the loser is the champion in the Class B division.

Perronville had to beat Rapid River twice yesterday to win the Class D title. They won the first game 2-1 in the sixth inning on a double by Jerry Shiverski and a single by Larry Wanice.

In the night contest, Perronville scored once in the first, twice in the third, twice in the fourth and once in the fifth to win 6-2. John Petrick was the winning pitcher in both games.

Meat Paper scored three runs in the fourth inning on a single by Keith Gluesing and home runs by Bob Trombley and John Martinac. LaFave's runs came on a pair of walks and a double by Dennis Lancour. Mark Miller got credit for the victory on the mound and Tom "Jug" Bourdeau took the loss.

Unbelievable Brown Gives Tigers Sweep

DETROIT (AP) — "Unbelievable, baby, unbelievable..."

That was the way chunky Detroit Tiger outfielder Gates Brown described his hitting spree which powered the Tigers to a nerve shattering sweep of a doubleheader from the Boston Red Sox Sunday.

The soft-spoken slugger admitted he was puzzled as to why he does his best hitting against Boston, which dropped three of four games in the weekend series to the American League leading Tigers.

"I don't believe in jinxes or anything like that," said Brown. "I guess I just like to hit against them."

Hit against them he did. His towering home run in the 14th inning of the first game gave Detroit a 5-4 decision. It was his third home run of the season and all came in pinchhitting roles against the Red Sox. He also collected a pinchhit double against them earlier in the season.

"Too bad they are leaving town," he said.

His pinchhit homer April 11 beat the Red Sox 4-3 and he hit another against them in a pinchhit role last Friday night.

Brown was nearly mobbed by his teammates when his booming bat tucked the first game away and the scene was repeated in the ninth inning of the second game when he singled home the winning run with one out for a 6-5 victory that stretched Detroit's lead to seven games over second place Baltimore.

"Oh, no, we haven't got the pennant tucked away or anything like that, but did you ever see such a come from behind team as this one is," Brown asked newsmen in the Tiger dressing room.

The Red Sox grabbed a 4-0 lead in the first inning of the opener before Gates even found a comfortable spot on the bench to relax until he got his usual pinchhitting call.

In the second game, Brown got one of his rare starting line-up assignments and he had two hits in four tries, including the sizzling liner that broke Boston's heart in the ninth.

"I did not hit that home run ball very good," Brown said. "I was a little surprised that it carried into the stands." He said the 1-1 pitch thrown by Red Sox relief pitcher Lee Stange was a fast ball that was fading away when he tagged it.

Some press box observers thought Brown, dancing down the third base line in jubilation, had failed to tag home plate but nobody called him on it.

"I touched it alright with my toe," said Brown later. He said plate umpire Marty Springstead told him later, "make sure on those, Gates."

"I knew in that first game that I was going to get called on

sooner or later to pinchhit and I must have walked 50 miles from the players' bench to the dressing room and back and forth trying to ease the strain," said Brown.

"I was scared all day and that is unusual for me... I knew there were a lot of fans out there (49,087 to be exact) and I did not want to let them down."

The only ones let down by Brown were the Red Sox who watched the Tigers peek away at the four run lead until Detroit finally tied it 4-4 in the eighth, forcing the extra innings.

Brown said he never expected to get to bat in the big ninth inning of the second game when the Tigers, down 5-2 after the Red Sox pounded out three runs in the top of the inning, battled back against starter Gary Bell and three relief pitchers in the bottom of the ninth.

When Brown's turn came it was tied 5-5 with one out, Mickey Stanley was on third and Al Kaline on first. Boston played its infield in and Brown, who said he was "just looking for a piece of the ball this time," ripped a single into right field scoring Stanley.

"It was the biggest day I ever had in baseball," he said.

Brown said he had figured that with left-hander Al Lyle working for Boston, Tiger Manager Mayo Smith might send up a righthanded batter rather than the left-hand hitting Brown.

"I kept looking over my shoulder to see if anyone was coming out and I sure was happy when nobody appeared," Brown said.

The Red Sox started off the first game as if they were going to knock down the walls of Tiger stadium. Daryl Jones hit a two run homer, his third, and Joe Foy did likewise for No. 7 moments later off Earl Wilson who lasted only 2-3 of an inning against the Red Soxers.

Down 4-0 before they even got a chance to bat, the Tigers fought back with some long distance hitting of their own as Bill Freehan hit his 17th homer in the sixth and Wayne Comer collected his first major league homer in the seventh, both off Boston starter Jim Longborg who had not allowed a homer in his 41 innings work this year after his knee injury healed.

Mickey Lolich, who got credit for a win with a 1 2-3 inning relief performance against the Sox Saturday, added another decision in a five mning relief

job to boost his record to 10-7. The second game was a routine affair contrasted with the opening game fireworks supplied by Brown. That was until the ninth inning when Boston broke things open with three runs to take a 5-2 lead and send hundreds of fans towards the exits as they figured the Tigers luck had run out.

Things were far from over, however, as Gates Brown & Co. had another run scoring show to put on as they surged back for a hairbreadth 6-5 decision.

Zimmermann Captures Escanaba Press Trophy

This last weekend ended the Seagull Series races for the season. The two top winners were Bill Boyce with only 11 demerits for the Wednesday series and Skip Zimmermann with 6 demerits in the Sunday Series. The overall Escanaba Daily Press Trophy was set up for the sailor with the least demerits in all 14 races, (7 in Wednesday series and 7 in Sunday series). Skip Zimmermann is the winner of it with only 104.7 demerits.

The next big race will be for the John Mitchell Trophy. This one will be a match race between Bill Boyce and Skip Zimmermann. The winner of this race will be the sailor to defend the Henes Cup.

Last Friday night was a make-up race for the Wednesday Series. Bill Boyce won followed by Skip Zimmermann, Henry Van Brussel, Dean Shipman, Mike Labre, Walt Zimmermann, Tom Lewis and Harold Cloutier. On Sunday there were two races. In the first one Henry Van Brussel

won followed by Skip Zimmermann, Richard Straebel, Mike Labre, Harold Cloutier, Walt Zimmermann. There were two boats that disqualified themselves for touching a mark. In the second race Skip Zimmermann won followed by Richard Straebel, Bill Boyce, Walt Zimmermann, Henry Van Brussel, Harold Cloutier, Mike Labre and Doug Johnson.

There were no El Toro races this last Saturday and there will not be any on Aug. 17th. On the weekend of Aug. 24th and 25th there will be four races for the Manning Shoe Junior division Trophy and four races for the Escanaba Yacht Club Intermediate division Trophy. The time schedule for these races will be announced later by Henry Van Brussel.

Chiefs Capture Waubung Title

Manistique won the Waubung League title yesterday by virtue of a 16-4 victory over Powers coupled with Cooks 1-0 upset over the Escanaba Cubs.

The victory left the Chiefs with a 6-2 season record and Escanaba's loss leaves the Cubs with a 5-3 mark. Cooks and Powers have one game remaining but it won't affect the league standings.

Russ King picked up his 10th victory of the season in yesterday's game. King was relieved by Bob Cowman in the seventh inning and the pitchers combined to strike out 19 Powers' batters. Cowman, King, Phil Nelson and Mike Tuffnell all had two hits in the Manistique attack.

A misjudged fly ball and a sacrifice fly gave Cooks their victory over Escanaba. John Way took the loss for the Cubs and Tom Miller went all the way to pick up the victory.

Michigan State sophomore tailback Tommy Love of Sylva, N.C. scored 30 touchdowns and passed for 17 more in his senior year at Sylva-Webster high school.

Land Exchange Notice

Notice is hereby given that the State of Michigan Department of Conservation has made application under the Act of October 23, 1962, (16 U. S. C. 55a) to exchange the following described land within the Hiawatha National Forest: Lot 3 of Section 26, Township 40 North, Range 22 West, Delta County, Michigan; and Township 47 North, Range 6 West, Chippewa County, Michigan; SENW and NESW of Section 8: W 1/2 NE, NW 1/4, N 1/2, SW, SWSW, W 1/2 SE and SESE of Section 9: SW 1/4 and W 1/2 SE of Section 10, containing 824.1 acres, for National Forest land described as: Lots 5 and 11 of Section 6, Township 41 North, Range 15 West and parts of Lots 2 and 3 and part of the NWSE of Section 1, Township 41 North, Range 16 West, Commonly known as Wyman Nursery, situated in Schoolcraft County, Michigan, containing 140,556 acres. Persons claiming said properties or having bona fide objections to such applications must file their claims or objections with the Regional Forester, U.S. Forest Service, Milwaukee, Wisconsin, within 30 days after the date of first publication of this notice.

Iverson, Richer Capture Features

Bob Iverson captured modified drivers and Art Richer sportsman drivers, in racing action Saturday night in Escanaba before a crowd of 3,400.

Iverson, of Hyde, was a double winner for the evening. In the 20 lap feature, he took the lead from John O'Reilly of Soo, Canada on the fourth lap and drove to an easy win. In the third heat Iverson moved out in front halfway through the first lap and outdistanced the remainder of the field. With the double victory, Iverson increased his victories to 26 on the year, more than any other driver.

In one of the most exciting races of the evening, the semi-feature, Jake Valiquette of Escanaba and Jim Peterson of Kingsford, battled for the lead with the first position changing hands many times. With one lap to go, the two tangled and their modifieds locked forcing both to the sideline. Don Benoit, who had been running third then whipped by for the win.

Valiquette again held off the challenge of Peterson to win the first heat, while O'Reilly rode to an easy win, his first of the year, in the second heat.

Joe Wurth of Menominee pushed his new modified to time trial honors. With a clocking of 19.48, he averaged 57.38 mph, to capture honors for the first time.

Art Richer of Schaffer paced all drivers for the evening. He completed a rare "grand slam", winning the time trials, third heat, and the sportsman feature. In both races, Richer had to work hard for the victories. In the heat he started in the back of the pack, picked his

way through 14 cars, and then took the lead from John Nelson of Escanaba on the last lap. In the 20 lap feature, he had a harder time weaving through 19 cars. A wreck caused a restart on the tenth lap and he again took the lead from Nelson, this time on the 15th lap, for his seventh win of the year.

Don Bugay of Gladstone, returning to action after a long lay-off, outlasted 23 other cars to capture the semi-feature, his first win of the year.

Ray Mott of Bark River took honors in the second heat, while Wayne Strahl of Carney picked up his first win in the first heat.

With the biggest racing week of the year coming up during the U.P. State Fair, the largest entry of cars, 43 sportsman and 29 modifieds, showed up for the action. There will be racing Saturday night and Sunday afternoon as well as a demolition derby Friday night during Fair Week.

Modified: First heat, 1. Valiquette, 2. Peterson, 3. Fran Ansell, Milwaukeee. Second heat, 1. O'Reilly, 2. Ed Provo, Esc., 3. Art Rupert, Sr., Esc. Third heat, 1. Iverson, 2. Wes Beckett, Soo, 3. Ken Iverson, Esc. Semi-feature, 1. Benoit, 2. Pete Peterson, Esc., 3. J. Valiquette. Feature, 1. Iverson, 2. K. Iverson, 3. O'Reilly. Fastest Qualifier, Wurth, 19.48.

Sportsman: First heat, 1. Strahl, 2. Jerry Bichel, Nadeau, 3. Emil Chandler, Gwinn. Second heat, 1. Mott, 2. Ted Mott, 3. Bernard Lewis, Wilson. Third heat, 1. Richer, 2. H. Iverson, 3. Duke Gardiner, Esc. Semi-feature, 1. Bugay, 2. R. Mott, 2. Bill DeShambo, Arnold. Fastest Qualifier, Richer 21.78.

Schmidt Hoping Munson Can Make Lions Winner

DETROIT (AP) — It may take all of Coach Joe Schmidt's five-year contract to make a National Football League contender out of the Detroit Lions, but the former all-pro line-backer is hoping quarterback Bill Munson can shorten the process.

"We gave up a lot to get Munson," admits Schmidt, in his second year as head coach. "But we needed a quarterback. I think he has the ability and the confidence to lead this club."

The mood at the team's suburban Bloomfield Hills training camp supports Schmidt's thesis. For the first time since the free-wheeling brawling championship days of Bobby Layne, the team has a No. 1 quarterback who will be in charge on the field.

Munson has polish after four years with the Los Angeles Rams. He has a strong arm and a quick delivery. But his major asset is confidence.

He played out his option with the Rams last season after warming the bench behind Roman Gabriel, and losing his starting job because of a knee injury in 1965. He blamed new head coach George Allen for not giving him a fair chance to win back his starting job from Gabriel.

Like An Eagle
Munson's jutting jaw and piercing eyes suggest an eagle searching a forest for small game as he falls into the pocket to pass. He has the same professional approach to football and the very presence of his personality has created unity on a Detroit team torn by factionalism in recent years.

Detroit had a 5-7-2 won-lost-tied record last year, the team's 10th straight season under the two quarterback system.

Nicklaus Battles Rookie For Title

AKRON, Ohio (AP) — When you're in a head-to-head duel with millionaire golfer Jack Nicklaus it's tough to come out on top.

Lee Elder, a 33-year-old 10-year pro playing his first season on the tour, will be the first to admit it.

"I gave it all I had but there isn't much you can do when you're up against the world's best," Elder said Sunday.

He made the observation after staging the battle of his life before losing on the fifth hole of a sudden death playoff in the \$125,000 American Golf Classic.

The stirring struggle ended when Big Jack rolled in a 10-foot birdie putt to cop the \$25,000 jackpot.

It was a dramatic finish before a record crowd of 23,331 at the backbreaking 7,180-yard Firston Country Club course and before millions who

Pittsburgh, is out for six weeks with a broken arm sustained in a 13-9 loss to the Buffalo Bills in an exhibition game. Veteran guard John Gordy who led the player revolt for higher pensions, will miss half a season following knee surgery.

Eddy, the former Notre Dame star who missed his rookie year with a knee operation last fall, aggravated the injury in a scrimmage and is suffering from a slight case of water on the knee and Munson missed the first two weeks of training camp with a minor elbow injury.

Starting Lineup

But Schmidt plans to start the campaign with Munson at quarterback, Eddy and Farr at the running backs and McCullough, a world class hurdler who gave up the Olympics to play football, replacing Studstill at flanker.

Veteran Jim Gibbons will be at tight end and Gail Cogdill, slowed by injuries in recent years and Bill Malinchak will share the split end duties. Bob Kowalkowski, a second year man from Virginia, and Bill Cottrell, another newcomer from Delaware Valley, will replace Gordy at one guard. Chuck Walton, who missed four weeks of training camp with elbow surgery, should be the other starting guard.

Veterans Charlie Bradshaw and Roger Shoals, out most of last year with a bad knee, are the tackles and reliable Ed Flanagan is back at center.

Detroit's once impenetrable defense is being rebuilt around veteran tackle Alex Karras and Barney. Jerry Rush will be paired at tackle with Karras and Larry Hand is back at one defensive end. Joe Robb, obtained from the St. Louis Cardinals and Baker will share the other defensive end job vacated by the retirement of Darris McCord.

Naumoff, Mike Lucci and Wayne Walker are the starting linebackers with Barney and Dick LeBeau the cornerbacks. Tommy Vaughn and gutty Bruce Maher will share the safety slots.

With Studstill, one of the league's top punters gone, the kicking job will probably go to DePoyster, who set several field goal records at Wyoming last year. Wayne Walker probably will be the reserve place-kicker with Garo Yepremian, a soccer style kicking specialist, most likely being cut from the squad.

The Lions will be tested early. The team opens against the Eastern Division Dallas Cowboys Sept. 15 and takes on the Chicago Bears and Superbowl champion Green Bay Packers on succeeding weekends.

Schmidt well knows that victory against this kind of competition requires a healthy team as well as near-perfect technical football. His preparations were slowed during the summer when most of his players were involved in a movie of the George Plimpton bestseller, "The Paper Lion." This took up much of Schmidt's summer player evaluation program and left many of the players in less than top physical condition.

Even the most optimistic fans can hope for no better than a .500 season for Detroit, with an occasional flash of future greatness.

All had 72-hole totals of 280, even par for the distance. Nicklaus had a final 69, while Elder and Beard posted 70s.

Third-round leader Don Beis, a part-time tour player from Seattle, and Bert Yancey both missed chances to force a five-way playoff when they bogeyed their final hole.

Beis, who set the course record Saturday with a hot six-under 64, soared to a 75 while Yancey shot a 71. They finished in a four-way tie at 281 with Bob Stanton and PGA champion Julius Boros.

It was the 26th pro victory of Nicklaus' career and raised his money winnings this year to \$120,488, No. 3 in the standings. It also was the sixth straight season the 28-year-old golfer has been over the \$100,000 mark.

Elder, who boosted his winnings to almost \$27,000, and Beard each earned \$12,187.50. Finishing at 282 were Bob Lunn, George Knudson and Art Wall while Gardner Dickinson, Ray Floyd and Rod Funseth closed at 283.

Arnold Palmer looked like he was ready to make one of his famous charges when he moved within one stroke of the lead with a birdie on No. 11. But the fabled pro bogeyed Nos. 13 and 14 and suffered an embarrassing triple bogey eight on the monster 16th when he put his third shot in the water, overshot the green and needed three to get down.

Palmer's 76 put him in a seven-way knot at 284 while half-way leader Bill Campbell, 1964 U.S. amateur king, skied to a 77 for a 285.

"I opened up with about 500 yards to go and really let it all out with 300 yards left. I must admit I felt real good and strong coming down the stretch. But there is still a long way to go. Mostly I need speed work now."

Jordan agrees but sees no problem in Ryun working himself into top shape by the October Olympiad. Back to his normal weight of 165, Jim feels good.

Also flashing comeback form at the Mt. San Antonio gathering of Olympic hopefuls was Billy Mills, the marine of 1964 who suprisingly won the gold medal at 10,000 meters, proving Uncle Sam no longer backward in distance events.

Suffering from a back ailment, Mills had to drop out of the AAU meet after running about 2 1/2 miles of the grueling test covering six miles 360 yards.

Like Ryun, Billy missed the Olympic trials and went to Flagstaff for workouts to put himself back in shape for a final try. In the proving race here, he set his own pace and ran his own race.

"It was so lonesome, I was bored," he commented after running the fastest 10,000 meters in the United States this year—28:43.6.

Four others were in the race but not in Mills' class. Gerry Lindgren, who had run a faster race, still is bothered by a sprained ankle and Tracy Smith, another fine distance runner, was ill.

"I was gratified with Mills' showing," said Jordan. "We

Satriano Borrows Bat To Help Beat Orioles

By The Associated Press
Tom Satriano of the California Angels swung a hot bat Sunday, even if it wasn't his.

Using a 35-ounce borrowed from Baltimore's Don Buford, Satriano rapped out five consecutive hits and helped the Angels thrash the Orioles 11-1.

"My timing was off when I came back Friday from two weeks of Army Reserve training Friday," Satriano said. "I felt so strong, I was getting out in front of the ball."

"I picked up one of Buford's bats Saturday which was heavier than the one I had been using. I figured it would help cut down on my swing, so I asked Don if I could use the bat."

Satriano had one hit in two trips with the bat Saturday night, and then poked a homer, two doubles and two singles Sunday to pace a 16-hit attack.

Elsewhere, Minnesota walked the New York Yankees 11-2. Oakland whipped Washington 8-3 and Cleveland swept a doubleheader from the Chicago White Sox 6-1 and 2-1.

Minnesota's Dean Chance had the same kind of hitting support with the Twins battering four Yankee pitchers for 16 hits. Rod Carew had four singles and Tony Oliva four runs batted in on a single and a three-run homer. Chance pitched a four-hitter for his 11th victory.

Dick Green, Reggie Jackson and Joe Keough all powered two-run homers to ease the Athletics past the Senators. Jim Nash allowed only one hit after the second inning and won his 10th game.

Stan Williams pitched a four-hitter and Russ Snyder's pinch single in the second inning drove in a pair of runs as the Indians took the first game from Chicago.

Cleveland completed the sweep with 6-2-3 innings of two-hit relief by Ed Fisher saving the second game. Fisher res-

cued Sam McDowell from a bases-loaded one-out jam in the third inning, using just two pitches to retire Ken Berry and Gerry McNertney, and held Chicago the rest of the way.

Ryun Ready To Compete In Olympics After Win

WALNUT, Calif. (AP)—America's world record miler Jim Ryun has won his battle against the strength-sapping blood disease mononucleosis and will be ready for the Olympics.

In his first competitive mile race since being stopped by the ailment this spring, the 20-year-old Kansas star seed to a timing of 3 minutes 55.9 seconds to win the pre-Olympic meet at Mt. San Antonio on Saturday.

"I was especially pleased with that final lap," commented Olympic Coach Payton Jordan, who watched from the press box. "That showed he has regained his strength. He didn't flag a bit."

Under pressure from Roscoe Divine of Oregon, Ryun flashed the final quarter mile in 55.1 seconds after running the first three relatively slowly.

"I felt flat at the start," commented Ryun, who has been training several weeks at the mile-high altitude in Flagstaff, Ariz. "I was concerned the first two laps were so slow (2:00.7). They felt faster, I felt heavy. I was concerned about the final drive."

"I opened up with about 500 yards to go and really let it all out with 300 yards left. I must admit I felt real good and strong coming down the stretch. But there is still a long way to go. Mostly I need speed work now."

Jordan agrees but sees no problem in Ryun working himself into top shape by the October Olympiad. Back to his normal weight of 165, Jim feels good.

Also flashing comeback form at the Mt. San Antonio gathering of Olympic hopefuls was Billy Mills, the marine of 1964 who suprisingly won the gold medal at 10,000 meters, proving Uncle Sam no longer backward in distance events.

Eagles Suffer Twin Losses In Lion Tilt

By The Associated Press
A black cloud hovered over the head of Joe Kuharich today and it will be some time before it leaves, but all is sunny for George Wilson, who sees even brighter skies ahead.

"I'm just a jinxed coach," moaned Kuharich, whose Philadelphia Eagles lost a National Football League exhibition to Detroit 20-3 Sunday and their No. 1 quarterback Norm Snead to a broken leg.

"The black clouds are right over the top of us. (But) we can't jeopardize Snead's future. I personally won't push him. I'll go for the maximum knitting period."

"He made a few mistakes, but —and that's a big but—wait a few more weeks," Wilson said. "He'll really shake them up."

In Sunday's other pre-season game, Mike Clark kicked his third field goal of the game midway through the final period to give the Dallas Cowboys a 16-14 edge over San Francisco in the NFL.

On Saturday night in the NFL, the New York Giants shocked Green Bay 15-14 on Fran Tarkenton's four-yard touchdown pass to Joe Morrison with 14 seconds remaining; Charley Golak 45-yard field goal with 16 seconds left gave Washington a 16-14 decision over Atlanta, and Baltimore blanked Chicago 10-0 on a Johnny Unitas touchdown pass and Lou Michaels' field goal.

In the AFL, Bob Humphreys

booted a 33-yard field goal with five seconds left for Denver's 15-13 victory over Cincinnati, and Oakland bombed San Diego 31-7. Daryl Lamonica hurled two scoring passes.

In interleague play, Bill Kilmer passed New Orleans of the NFL by Boston 19-0, and Kansas City of the AFL stopped Minnesota 13-10 on Jan Stenerud's 15-yard field goal with 47 seconds remaining.

The New York Jets play at Houston in an AFL game tonight.

The Eagles lost Snead on their first play from scrimmage when Izzy Lang's option play pass was intercepted and Snead tried to tackle Lem Barney, the interceptor. He is expected to be out at least 12 weeks.

The Lions turned the interception into a seven-yard scoring run by Mel Farr, later added a 33-yard Jerry DePoyster field goal and finally rookie Greg Barton's 26-yard touchdown pass to Bill Malinchak after another Barney interception.

Veteran King Hill took over for Snead and couldn't move the club, and then castoff John Huarte tried and failed before a scant crowd of 12,176 watching the nationally-televised game at Franklin Field. The game was scheduled for Mexico City, but a last minute cancellation brought it to Philadelphia.

Csonka, who reported to Miami late because of the College All-Star game, started slow against Buffalo. But with Buffalo leading 28-21, he ran for 17 yards, took a 21-yard pass from Bob Griesse, bulled for six more yards and finally grabbed a six-yard toss from Griesse for the tying score.

He finished with 31 yards in six carries and two pass receptions.

Miami missed a chance to win in the final seconds when Jim Keyes missed a field goal try from the 17.

San Francisco took a 14-16 lead into the final period, but sub quarterback Jerry Rhoads led Dallas into position for Clark's 28-yard field goal with 10:34 left. When the 49ers fumbled the following kickoff, Dallas recovered and Clark wrapped it up from the 26.

Sports In Brief

Dick "Night Train" Lane was given his nickname by Tom Fears, when both played for the Los Angeles Rams, because he liked the song "Night Train."

In 1934, on frozen ground, the New York Giants trailed the Chicago Bears in a title game, 10-3, at half time, then donned sneakers and won 30-13.

Toledo Slumping; Nobody Pursuing

By The Associated Press
First-place Toledo hasn't burned up the International League since August arrived, but if one of its pursuers doesn't put a winning streak together soon, the Mud Hens will coast home to the 1968 pennant.

Jacksonville, Columbus and Rochester all have taken turns in second place in the last 11 days. Not a one, however, has gained ground on Toledo, although the Mud Hens have won only seven of 12 August starts.

For the same period, Columbus is 8-6, Rochester 7-5, and Jacksonville, which may have blown its flag chances, 5-8.

Today, Columbus and Rochester still were 5 1/2 games back while Jacksonville was eight full laps behind. And the season has only a month to go.

Toledo added to its advantage over all three Sunday as Fred Scherman blanked Jacksonville 5-0 while Louisville was edging Rochester 3-2, and Columbus was splitting two at Syracuse—winning 6-5 in 15 innings, then losing to the Chiefs 7-0.

In other Sunday action, Richmond bombed Buffalo 11-2 in the opener of a doubleheader but the Bisons took the nightcap 5-3 to stay 2 1/2 games ahead of

the Braves in their battle for seventh.

Don Pepper belted his 12th home run in Toledo's shutout of Jacksonville. Scherman, 7-1, permitted 10 hits but was effective in the clutch, leaving 10 runners stranded.

A two-run homer by Joe Lahoud and a solo shot by Bobby Mitchell accounted for all of Louisville's runs as the Colonels nosed out Rochester. Frank Peters hit his ninth homer for the Red Wings.

Chris Cannizzaro's single, scoring Manny Sanguillen who had doubled, produced the run that enabled Columbus to edge Syracuse in their four-hour, 18-minute, 15-inning opener. The Chiefs, however, got three-hit pitching from John Cumberland in the nightcap, sending 14-game-winner Dave Roberts down to his fifth defeat.

Dave Bicholson's three-run homer, his 24th home run of the year, helped Richmond bomb Buffalo in their first game. Sam Bowers' two-run homer was the big blow for the Bisons as they took the second game.

GLADSTONE Hearing Tonight On Street Work

The Gladstone City Commission will hold public hearings on special assessments for street improvements and introduce special assessment rolls for street improvements, at their regular meeting Monday at 7:30 p.m. at the city hall.

Bear Hunters Welcomed In Western U.P.

LANSING (AP) — Want to shoot a bear? The folks in the western part of the Upper Peninsula would welcome you—and probably even point out the particular bruin.

The State Conservation Commission was told Thursday there has been a record number of complaints of damage by bears in the area.

More than 300 complaints have been received so far this year, the commission was told.

The game division said it live-trapped and shipped out 123 of the bears to remote areas. Another 11 were shot by department men, and 73 were shot by area residents.

Meanwhile, four reports of bear-car collisions were reported.

"That's the first time we've heard of anything like that number," said one game division expert.

Briefly Told

Bethel 7, International Order of Job's Daughters, will meet at 7 p.m. today at the Masonic Temple.

State Police issued traffic summonses over the weekend to Per Forslund, Chicago, speeding; Albert Dagenais, Bay View location, illegal use of studded snow tires; John Hust, Roseville, Mich., speeding; Hugo Martin, Trenary, speeding; John Lindahl, Michigamme, speeding; Bryan Eagle, Brampton, speeding; Kathleen Gagnon, Bark River, driving without license; Michael Kurth, Rte. 1, Gladstone, speeding; William Gehrke, Little Lake, no trailer license plates; Robert Thomsen, Marquette, speeding; David Kempainen, L'Anse, no license plates on trailer and speeding.

Rock

Family Gathering A family gathering in honor of Mrs. Roseanna Noel of Brampton and William Noel Jr., was held recently during a picnic dinner at the home of Mr. and Mrs. Edward Lindstrom, Sundell.

Mrs. Noel is the great-grandmother who will be 80 years old next April, and William Jr. is home on leave from the Marine Base, San Diego, Calif., and will be leaving for Vietnam soon.

Present for the occasion were Mr. and Mrs. William Noel Sr., of Big Bay; Mr. and Mrs. Edward Noel and Mr. and Mrs. Robert Noel and family, Marquette; Mrs. Clara Lindstrom, Brampton; and Mrs. Roseanna Noel.

Birthday Party Bonnie Norkooli, daughter of Mr. and Mrs. Arne Norkooli, celebrated her sixth birthday Wednesday afternoon at her home. Friends from Rock, Brampton and Escanaba attended.

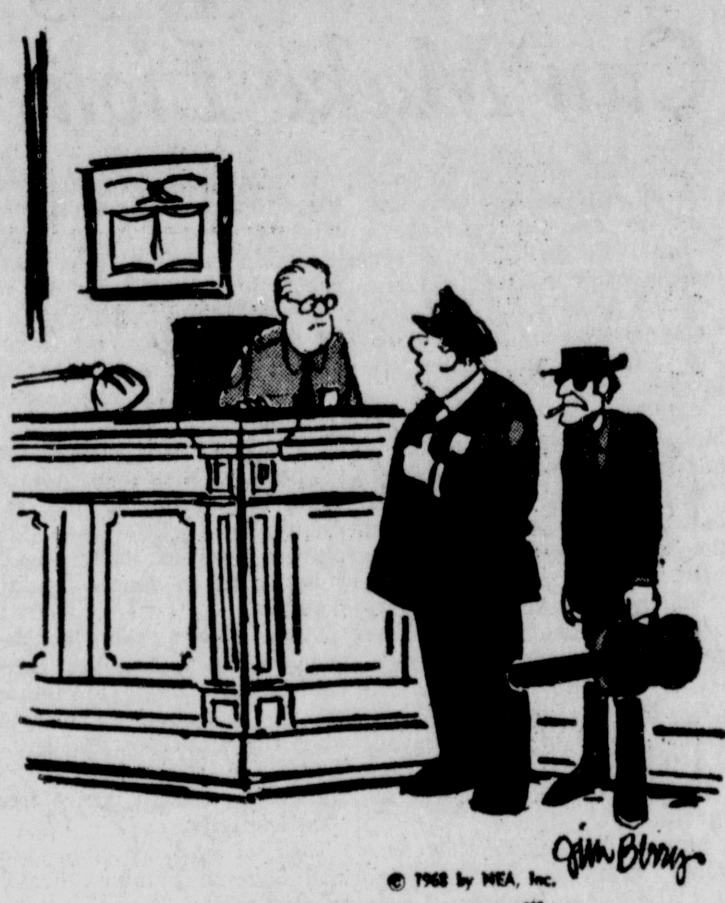

Mrs. Clara Lindstrom, Mrs. Lillian Roberts, Mrs. Victor Mankiewicz, Mrs. Harry Worth, Mrs. John Norman, and Mrs. Leslie Larson attended the election school in Escanaba last week prior to the primary election in Rock Tuesday.

A3C Don Walsanen is presently stationed on the ship Enterprise after spending a furlough at his home recently. He arrived home after a five month tour of duty in Vietnam.

Sgt. James Rabideau is home on leave after being stationed at Kincheloe Air Force Base for two years. He will leave for Guam on Sept. 7. He enlisted in the Armed Forces eight years ago.

Mr. and Mrs. Arthur Oakley of Peoria, Ill., visited Mr. and Mrs. Waino Alto recently. This was the first visit to Rock in 29 years for the former Jennie Seppanen.

Demo Legislators Drive For Control

LANSING (AP) — Tired of their two years as the minority party in the Michigan House of Representatives, Democrats are hopeful they can take control of the chamber in the November election and have a greater voice in the state's legislative process.

On the record at least, Republicans insist they'll at least be able to hang onto their slim House majority. But the Democrats appear to have a pretty good chance just the same.

Officially, the GOP still has a 55-54 majority in the House, but Republican Ray C. Mittan was picked in a special election last Tuesday to fill a vacancy in the southwest Michigan 44th District. When he is sworn in this week, the Republican edge will jump to 56-54.

Tied In 1966
In the 1966 elections, the two parties wound up with 55 seats apiece. Three special elections—resulting from two deaths and one resignation—have put the GOP in front. The Republicans organized the chamber in January, 1967, and took the leadership posts.

That left Republicans with shaky control over the state's lawmaking machinery. They had a 20-18 edge in the Senate and their man, George Romney, was in the governor's office with his arm-twisting abilities and his veto power.

The governor's chair and the Senate seats are beyond the reach of the Democrats this year. None is vacant until 1970, although Republican Sen. Frank Beadle of St. Clair is retiring. His district is 60 to 70 per cent Republican and presumably won't pass the Democrats.

See Hope This Year
Working for the Democrats is the fact that this is a presidential election year. Their party usually runs better with a presidential contest to stir up voter interest and bring out the big-city vote.

That, incidentally, is why the GOP majority at the 1961-63 State Constitutional Convention decided the governor and the senators, whose terms Con-Con enlarged from two years to four, would run in off-year elections.

In the last presidential contest—the anti-Goldwater landslide of 1964—Democrats walked off with a staggering 73 State House seats, just one short of a two-thirds majority. They lost 18 in the off-year voting in 1966, and hope to win many of them back this year.

Happy With Nixon
Democratic strategists are not at all unhappy that the national Republican party has chosen Richard Nixon and Spiro Agnew for the top spots on their November ticket.

They figure Nixon will draw fewer votes in Michigan than, for instance, Nelson Rockefeller.

37 States Will List Wallace

MONTGOMERY, Ala. (AP)—George Wallace's third party presidential campaign has completed the legal requirements for listing on the ballots of 37 states in November, his aides said here.

Campaign workers said in some of the 37 states Wallace's petitions have not been certified by the secretary of state, but that the legal requirements have been fulfilled.

Petition drives on behalf of the former Alabama governor are being conducted in Ohio, New York and Wisconsin.

Wallace headquarters reports that he has qualified as a presidential candidate in Michigan, California, Oklahoma, Nebraska, New Mexico, Texas, Kentucky, New Jersey, Pennsylvania, Arkansas, Mississippi, Tennessee, Louisiana, and Alabama.

Georgia, Florida, South Carolina, Idaho, Alaska, Nevada, Colorado, North Carolina, West Virginia, Illinois, Connecticut, Maine, Massachusetts, Rhode Island, North Dakota, South Dakota, Kansas, Wyoming, Delaware, Missouri, Minnesota and Utah.

ler, and that his "coattails" will carry fewer Republican legislators to victory.

"We have a chance of getting most of them back," says House Democratic Leader William Ryan of Detroit, referring to the 18 seats lost in 1966. "We have some pretty good candidates in many of the marginal districts."

At the same time, Ryan says he doubts the Democrats will lose any of the 54 seats they have now. He predicts a Democratic majority of around 65-45 when the 75th Legislature convenes in January.

Speaker Robert Waldron, R-Grosse Pointe, disagrees. He predicts the GOP won't lose any ground.

GOP Confident
"We've got a fabulous record," Waldron says, "and I think the proof of the pudding is that all our incumbents got elected (in last week's primary). Apparently the voters liked what we did."

All 49 House members who sought renomination in last Tuesday's primary election were successful, while three of the 54 Democratic incumbents were beaten.

For the record, the 18 seats the Democrats lost in 1966 and presumably will be working hard to regain, are now held by these Republican representatives:

Louis Schmidt of Livonia, Mittan of Benton Harbor, Gustave Groat of Battle Creek, Hal Ziegler of Jackson, Roy Smith of Ypsilanti, Dale Warner of Eaton Rapids, Thomas Brown and Philip Pittenger of Lansing, Loren Anderson of Pontiac, Donald Bishop of Rochester, Allen F. Rush of Lake Orion, David Serotkin of Mount Clemens, James F. Smith of Davison, Johannes Kolderman of Wyoming, Edgar Geerlings of Muskegon, Dennis Cawthorne of Manistee, George Prescott of Tawas City and Charles H. Varnum of Manistee.

Card of Thanks

Farrell

I wish to thank Fr. Rousseau, the Chaplain of St. Francis Hospital, Father Isidore of St. Joseph Church, the Sisters and nursing staff of St. Francis Hospital, the neighbors and friends who were so good to me during my long stay at the hospital and for the flowers and gifts for which I will always be grateful. Thank you!

Mrs. Mae Farrell

THIS ELM TREE in Escanaba's famed Memory Lane of elms memorializing the area's war dead has been struck by Dutch elm disease, reports Norman Remington, plant inspector of the Michigan Department of Agriculture. The confirmed laboratory diagnosis of the disease is the first reported in Delta County, although the disease has been known in Menominee County for several years. The State Highway Department has been asked to remove the tree as a disease control measure. (Daily Press Photo)

Gas Tax Gives Cities More

The State Highway Commission has started distributing second quarter motor vehicle highway fund collections to Michigan counties and incorporated cities and villages.

Net receipts during April, May and June totaled \$67 million, an increase of \$11.1 million or 16.6 per cent more than the same period of 1967.

Most of the increase is attributed to the cent-a-gallon increase in the gas tax which took effect last Jan. 1.

Delta County's share is \$154,542 while Escanaba will receive \$38,686.

The motor vehicle fund includes all state gasoline and diesel fuel taxes, and license plate fees.

County allocations included: Dickinson \$119,795, Menominee \$156,456, Marquette \$202,839, Schoolcraft \$78,474.

City allocations included: Daggett \$1,830, Gladstone \$15,357, Iron Mountain \$26,799, Manistique \$11,593, Marquette \$44,846, Newberry \$5,579, Stephenson \$3,438.

Amateurs Lack Patience Needed In Boat Building

CARSON, Calif. (AP)—Frank Zsabo, who should know, says that most amateur boat builders lack the supreme quality they need: Patience.

Zsabo, 58, runs a shipyard near Los Angeles harbor where boat builders pay \$250 a year to store their craft while they work on them. Only a fifth of his customers ever put a boat to water, he says. Some boats go unfinished for 10 years.

Does Zsabo build boats? "Oh, I've done repairs on a few but I just haven't got the patience," he said.

Fishermen Drown

SAGINAW (AP)—The bodies of two 55-year old Saginaw men, clad in life jackets, were found in Saginaw Bay by the Coast Guard Sunday after an all-night search.

The victims were identified as Bruno Chronowski and his brother-in-law, Theodore Ezop.

They were reported missing Saturday after they failed to return from a fishing trip in the bay. The Coast Guard said it had not located their boat.

Teal Season Is Suspended

For the first time since 1964, there will be no experimental teal hunting season this September in Michigan and other states of the Mississippi and Central Flyways.

The 3-year series of test hunts for teal is being suspended for several reasons. One of them is so that officials of the U.S. Bureau of Sport Fisheries and Wildlife can analyze results of these seasons which put a premium on selective shooting.

Even as information is being fed into computers by the Bureau, game and law men in this state are disturbed over the number of Michigan hunters who "flunked" these test seasons by failing to properly identify teal and to hold their fire on protected ducks. Over the 3-year period, about 26 per cent of this state's teal hunters didn't make the grade on these points.

Other reasons for tabling the early season are that breeding teal numbers are down 40 per cent from 1965 and the birds' nesting habitat is in poor shape. Another factor was the unexpectedly large kill of green-winged teal in 1967 which would have more than 20 per cent of last fall's total teal bag.

Car Kill Deer Permit Needed

Michigan motorists who strike down deer on the state's highways and byways are reminded by Conservation Department law officials that they must apply for free possession permits before removing the car-killed animals from the scene of these accidents.

Conservation officers report that some people involved in collisions with deer have broken the law by taking highway-killed animals home without permits. These motorists have made their possession of venison illegal and left themselves open to possible fines.

Department law chief John A. Anguilm explains "We don't want to be hard-nosed about this permit requirement but our officers must enforce it or things could get out of hand."

For example, he notes that the permit system is aimed at discouraging would-be violators from trying to pull a "fast one" by illegally shooting deer and then claiming that they hit the animals with their vehicles.

The policy of letting motorists keep highway-killed deer is "designed to cut the waste of venison from increasing car-deer accidents and to give these people some compensation for vehicle damage."

To avoid causing deer possession problems with other states, the liberal measure only covers Michigan residents. Although they cannot keep deer they hit, nonresidents are urged to report their highway kills to local enforcement authorities.

Residents must contact law enforcement officers before moving dead animals from the accident scene.

Chavez Dies Of Head Injuries

WASHINGTON (AP)—Preliminary autopsy results indicate Dennis Chavez Jr., son of the late senator from New Mexico, died of head injuries suffered several days earlier, authorities say.

Dr. Richard Welton, District of Columbia coroner, said final certification of cause of death will follow further investigation.

Chavez, 55, a Washington lawyer who had worked as an aide and campaign manager for his father before the senior Chavez' death in 1962, died Sunday shortly after he was found unconscious on the floor of a jail cell.

Police said Chavez was arrested after he was seen staggering on a Washington street. He was charged with drunkenness.

Dr. Welton said the autopsy showed Chavez suffered brain contusions and bleeding from membranes surrounding the brain and that the injuries apparently were suffered in a fall several days before his death.

Dr. Welton said the injuries could have produced the staggering.

Chavez was the son of the late Sen. Dennis Chavez who served in the Senate from 1935 until his death.

Like his father, the younger Chavez was born on the family ranch in Los Chavez, N.M., which had belonged to the family since 1769 when the King of Spain gave it to them as a land grant.

Chavez, a bachelor, won the silver and bronze stars for heroism during World War II service as a U.S. Marine.

Robison Deaths Still Mystery

GOOD HART (AP)—Nearly three weeks ago, six members of a prominent Detroit suburban family were found shot to death in their cottage along an isolated stretch of the Lake Michigan shoreline near Petoskey.

Police are still without clues in the mass murder.

"We have no suspects, no motive and we continue to run down leads with negative results," Emmet County Sheriff Richard L. Zink said.

The bodies of the Richard Robison family, of Lathrup Village, were found July 22 when a caretaker opened a padlock on the door of the expensive summer home and entered the living room. The caretaker went to investigate after neighbors complained of unpleasant odors coming from the cottage.

Found in the cottage were the bodies of Robison, 42, his wife, Shirley, 40, and their children, Richard, 19, Gary, 17, Randy, 12, and Susan, 8. Police said they had been dead for about a month.

"We still haven't been able to establish a theory on the sequence in which the six were killed," said Zink. "This is a real test for the crime lab."

The State Police Crime Laboratory at East Lansing analyzed evidence recovered from the cabin area but Zink declined to reveal what the evidence included. He said a report from the lab is awaited.

Investigators recovered spent shell casings, leading them to believe two weapons were at the scene of the slayings, one .22-caliber and the other .25-caliber.

Zink said his department and state police investigators have tracked down between 75 and 100 tips and that several more are received each week. Zink, Emmet County Undersheriff Clifford Fosmore and a State Police Detective work on the case almost every day, Zink said.

ITU May Tie To Auto Workers

CLEVELAND (AP)—International Typographical Union President John J. Pilch says his union will discuss the possibility of stronger ties with the United Auto Workers Union.

But Pilch told delegates to the ITU National Convention here this week the meeting with the UAW "should in no way imply that we are contemplating withdrawal from the AFL-CIO."

"As one delegate has said," he continued, "it is better to fight inside than outside an organization."

Dance Winners

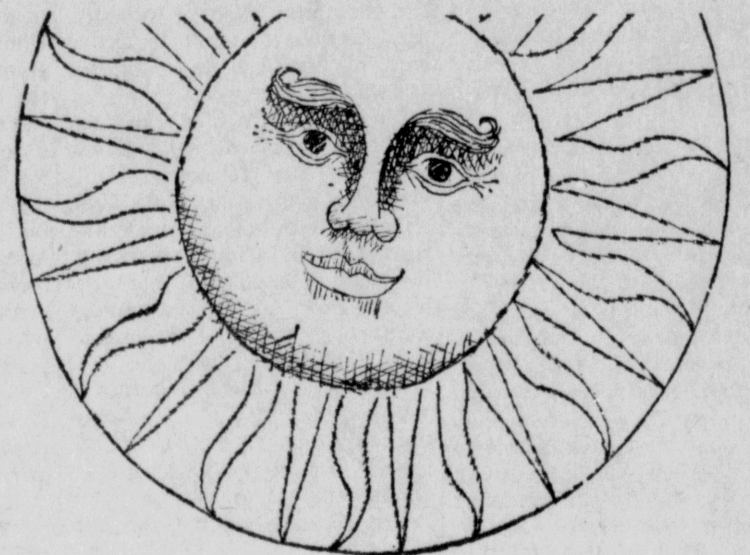

GALLUP, N.M. (AP)—The Aztec Indians of Mexico won first and the Totonacs-Voladores Indians, also of Mexico, took second in dancing at the 47th intertribal Indian ceremonial in Gallup, N.M.

The ceremonial drew 35,000 visitors before it closed Sunday.

Indians from seven states and Mexico participated in four days of dancing, rodeo events and arts and crafts exhibits.

THE Fair BASEMENT

Now is the time to paint. These warm dry days of late summer have dried the wood and inner walls of your house to the correct moisture content, by painting now you will add years of trouble free life to your paint job.

Save \$1.00 on a gallon of PATTERSON-SARGENT
